

As sure to rise as the Sun

You can't always make everything "just so." Sometimes you will get in more shortening than usual; or make the batter a little thin; or it may not be convenient to put a cake in the oven the moment it is mixed; or your oven may not bake evenly and it is necessary to turn the pan around—none of these little uncertainties make the slightest difference in results if you use

K.C. BAKING POWDER

This modern, double-raise baking powder has unusual strength and is absolutely certain to raise your biscuits, cakes and pastry light and feathery. It generates an abundance of leavening gas both in the mixing bowl and in the oven. The raising is sustained until the dough is cooked through.

Housewives who use K.C. never have "bad luck" with their baking. Try K.C. at our risk. Your grocer will refund your money if you are not pleased in every way.

Tacoma—In a few days there will be an unusual scarcity of watermelons on the local market, according to some commission men. The growers are said to have miscalculated the melons in the fields and made big orders they could not fill. As a result dealers have canceled all orders for Southern melons and will await the arrival of melons from Fresno and Turlock. Reports from the northern sections say the melon crops are large and when once the commodity begins rolling in there will be plenty on hand.
Fancy green corn is moving out as never before on the local boards. The commodity is coming from Eastern Washington and is just the same as if it were grown in local fields, arriving here less than 24 hours after it has been picked. The corn is now moving at 25 cents a dozen, said to be a reasonable price at this time of the season.
Cherries are just about through. Lamberts and Bing are no longer on the market. What few cherries are to be had are of the Royal Ann and Late Duke varieties, going at 8 and 6 cents a pound, respectively.
It will not be long now before Malaga grapes begin arriving from the South. Already there are some Sweetwater grapes to be had at \$2 a crate. They are small and good and the trade is taken to them instantly. Reports from the South say the crop of grapes this season is about the same as last year.
Eggs are firm and another rise would not be surprising.
Butter is the same, but if the hot weather continues a rise may be expected.
Yakima Schedule Is Adopted.
North Yakima, Wash.—The Yakima Valley Fruitgrowers' association has decided to follow the same schedule of advances on soft fruits as was in effect last year, 10 cents a box on peaches, and 25, 20 and 10 cents on pears, according to grade. Advances will be made on summer apples according to the market. The association has approved the action of the North Pacific Fruit Distributors in applying for credentials under the Growers' Council plan, but will make deductions here of the amounts to be paid the Council.
Chehalis Cannery Begins Run.
Chehalis, Wash.—The Lewis Canning association plant in Chehalis received its first consignment of fruit Thursday. It was a shipment of loganberries and raspberries from Matthew Smith, of Winlock. Other growers turned in enough fruit to make a good run to start. The association has just completed a fine new plant here, and it is intended to turn out fruit and vegetables from the Chehalis cannery which will rank with the best.
Big Salmon Shipments.
Astoria, Or.—Two thousand tons of canned salmon will be shipped from Astoria to New York by way of the Panama canal, it was announced here. The first consignment of 600 tons will go July 29. One thousand five hundred tons will be Columbia river salmon and the rest Alaska salmon.
First Apple Contracts Filed.
North Yakima, Wash.—The first apple contract filed this season with the Yakima county auditor calls for delivery of the crop of George Sherman ranch, in the Lower Naches, to Fred Eberle and W. W. Scott. The prices vary from 65 to 80 cents, cash on delivery.

"All right," replied the apothecary, cheerfully, "what are your symptoms?"
"Every little while something seems to rise up and settle back and then by and by rises up and settles back again."
The druggist stroked his chin, reflectively. "Look here," he said, gravely, "you haven't gone and swallowed an elevator, have you?"—Ladies Home Journal.

IN SUCH PAIN WOMAN CRIED

Suffered Everything Until Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Florence, So. Dakota.—"I used to be very sick every month with bearing down pains and backache, and had headache a good deal of the time and very little appetite. The pains were so bad that I used to sit right down on the floor and cry, because it hurt me so and I could not do any work at those times. An old woman advised me to try Lydia E. Pinkham's Vegetable Compound and I got a bottle. I felt better the next month so I took three more bottles of it and got well so I could work all the time. I hope every woman who suffers like I did will try Lydia E. Pinkham's Vegetable Compound."—Mrs. P. W. LANGSUNG, Box 8, Allyn, Wash.

Why will women continue to suffer day in and day out or drag out a sickly, half-hearted existence, missing three-fourths of the joy of living, when they can find health in Lydia E. Pinkham's Vegetable Compound?

For thirty years it has been the standard remedy for female ills, and has restored the health of thousands of women who have been troubled with such ailments as displacements, inflammation, ulceration, tumors, irregularities, etc.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

Rebuilt Federal Trucks

A Safe Used Truck to Buy.

A REBUILT FEDERAL is as good value for the money as a new truck. By rebuilt we mean that the truck is entirely taken apart, each part examined and if necessary replaced by a new part made at the Federal factory, the entire truck repainted and refinished, and everything necessary done to make the truck practically as good as new in every detail.

When you buy a rebuilt Federal you are protected by the same policy and interest that we give to all Federal owners. We operate a repair department, in which the workmen are specialists on Federals, our supply of Federal parts is complete, and the stock room organization, high class, which insures the prompt filling of all parts orders. We also operate a service department, which is open day and night, "always at your call." The Federal being a good truck in the first place and protected by a company which is equipped and has the disposition to give you service—is consequently

A SAFE USED TRUCK TO BUY.
If you are in the market for a truck from \$1000 to \$1400, we urge you to compare used Federals with new trucks at similar prices. We think we can convince you of their superior value.

A Large Order.
Modest Suitor—I have only \$5500 a year, sir, but I think I can support your daughter on that.

No Fight.
"Don't you know, Johnny, that if you refuse to strike back there can't be any fight with Tommy Bifkins?"
"Yes'm," replied the small boy.
"There wouldn't be any fight. Tommy would have it all his own way and I'd get a plain licking."

The Real Test.
"I don't see how that little Mrs. Grumpy can seem so well satisfied with her husband. He never kisses her or shows her any mark like that of affection."
"Maybe not, but he gives her spending money without her ever having to ask for it."

Putting it Accurately.
"Have you got any mosquitoes around here?"
"No," replied Farmer Cortnessel. "We haven't got them. They've got us."—Washington Star.

Who Will Care?

Who will care if my hair is gray?
Who will care what I have to say?
Who will care if I go or stay?
Who will care when I'm 50?

Who will care if I'm fat or thin?
Who will care if I frown or grin?
Who will care if my toes turn in?
Who will care when I'm 50?

Who will care if tears I shed?
Who will care if my nose is red?
Who will care if youth is fled?
Who will care when I'm 50?

No one will care, so I've been told;
No one will care if my feet are cold;
No one will care my hand to hold;
Oh, I'll just hate to be 50.

Taking Precautions.
A rosy-cheeked youngster dressed in his best clothes entered the village postoffice and carefully laid a huge slice of iced cake on the counter.
"With my sister the bride's compliments, and will yer please eat as much as yer can?" he said.
The postmistress smiled delightfully.
"How very kind of the bride to remember me," she cried. "Did she know of my weakness for wedding cake?"
"She did," answered the youngster, coldly, "and she thought she'd send yer a bit of it this afternoon just to take the edge off yer appetite before she posted any boxes off to her friends."—London Tit-Bits.
