

When You Are Sick Remember

WHERE PURITY COUNTS

more than anywhere else is in the drug business. You don't want to get into your system when you take medicine, anything that is not absolutely pure. You can feel safe when you buy drugs or have a prescription filled at our store because it's as it should be, as the doctor orders it. Drugs of uniform strength and known quality always used.

STAYTON WINS AGAIN SUNDAY

The ball game Sunday between Stayton and Jefferson was a contest in several meanings of the word.

Twice the players quit their jobs and congregated around the umpire with many strange words and threats, until his "umps" finally told them to do their own umpiring, and left for the bleachers.

There was one fellow from Jefferson who insisted on using the Oregonian instead of the rule book, but he was finally out talked.

Nay, Pauline, it wasn't a fight, not even a fair sized fuss, just a slight altercation on the diamond.

Almost everything that could possibly happen at a ball game, happened Sunday.

Errors, boneheads, kicks, a double, over the fence twice, an accident, a phenomenal catch by Jefferson in left field, several fumbles, some profanity, lots of noise, plenty of hits, some good playing, some poor playing, oceans of fun, and a fairly good-sized crowd.

When the dust and smoke cleared away it was found that Stayton won their 8th straight game this season and that Jefferson had taken the count to the tune of 5 to 6. Let's have another.

Dr. Beauchamp reports three births this week. A daughter to Mr. and Mrs. Albert Neitling of Stayton, Sunday, July 25, and a daughter to Mr. and Mrs. W. W. Smith of Detroit the same day, also a boy to Mr. and Mrs. Titus Archer Tuesday July 27.
