watch you, though you are unaware  
of this fact. Situated close to the  
doors are hiding places in which are  
four guardians of the bank. You can  
not see them, but they can watch you  
with the aid of reflecting mirrors in  
which they can see your entrance and  
exit and every movement from the  
time you enter the portals of wealth  
to the moment you leave them.—Lon-

## Fountain of Energy When President Wilson Opened the Panama- Pacific Exposition

THE Fountain of Energy when the water was released by President  
Wilson pressing a button at Washington on the opening day of the  
Panama-Pacific International Exposition at San Francisco. This  
fountain is the work of A. Stirling Calder and is between the Tower  
of Jewels and the main entrance at Scott street.

## Opening Day at Panama-Pacific Expo- sition Broke All Exposition Attendance Records

ALL attendance records for expo-  
sitions were broken at the open-  
ing of the Panama-Pacific Inter-  
national Exposition in San Francisco  
on Feb. 20. Vast crowds thronged  
the grounds when President Wilson  
pressed the button in Washington, and each  
day since the attendance has been enor-  
mous. The huge buildings and beau-  
tiful thoroughfares hummed with ac-  
tivity and have continued to do so.  
The Exposition has already demon-  
strated at this early date that it will  
be a great success in every way.
