

Will You Read This Twice?

A very important question to-day which every housekeeper must decide for herself is whether she prefers pure, cream of tartar baking powder like Royal or whether she is willing to use baking powder made of inferior substitutes which do not add healthful qualities to the food.

One kind is easily distinguished from the other, since the laws of various States require the ingredients to be printed upon the label. If anyone is in doubt which kind is most healthful, it is worth while to ask the family doctor. Then decide.

And when once a decision is reached let no advertisement or dealer's argument or canvasser's solicitation change the decision. It is not a question of a few cents or of pleasing a salesman. It is a question of health.

If this appeals to you as reasonable and sensible advice, it is worth reading twice. And it is worth remembering.

Beware of Ointments for Catarrh That Contain Mercury
as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sold by Druggists. Price 75c per bottle. Take Hall's Family Pills for constipation.

Miss June Kearns of Stayton spent the week-end with Miss Maybelle Wagner gave a reading at the Parent-Teachers meeting.

AID THE KIDNEYS

Stayton Sufferers Should Take No Further Risk.

Why will people continue to suffer the agonies of kidney complaint, backache, urinary disorders, lameness, headaches, languor,—why allow themselves to become chronic invalids, when a tested remedy is offered them?

Doan's Kidney Pills have been used in kidney trouble over 50 years, have been tested in thousands of cases.

If you have any, even one, of the symptoms of kidney diseases, act now, for gravel dropsy or Bright's disease may set in and make neglect dangerous. Can Stayton residents demand more convincing proof of merit than the following?

R. I. Rugg, farmer, 401 Fourth St., Corvallis, Ore., says: "I had to get up half dozen times at night, so bad was I troubled with kidney and bladder complaint. When I began taking Doan's Kidney Pills, I could see they were acting on my kidneys. Their action was regulated and I can now get a good night's rest. I have used in all three boxes of Doan's Kidney Pills and there is a marked improvement in the condition of my kidneys. All the annoying kidney ailments have gone."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Rugg had. Foster-Milburn Co., Props., Buffalo, N. Y.

Plans for a basket ball team are being discussed by some of the young people connected with the Epworth league of the Methodist church and it is considered by them that a fairly good squad of ball tossers could be got together. The line up, it is reported, would probably be picked from the following: Oren Van Loven, E. B. Lockhart, H. E. Bennett, Horace Lilly, Albert Pancoast, A. D. Gardner Jr. and Chas. Burmester. The league organized but a couple of weeks ago is proving itself quite a lusty young babe.

ACTION OF SINGLE SPOONFUL SURPRISES MANY

Stayton people who bought the simple mixture of buckthorn bark, glycerine, etc., known as Adler-ika, are surprised at the instant effect of a single spoonful. This remedy is so complete a bowel cleanser that it is used successfully in appendicitis. Adler-ika acts on both upper and lower bowel and one spoonful relieves almost any case of constipation, sour or gassy stomach. One minute after you take it the gasses rumble and pass out. V. Dare Sloper, druggist.
