**"HELLO BILL" COMING APRIL 21, AT THE STAR**

The Silverton Dramatic Club in "Hello Bill" coming to the Star Theatre Friday April 21, under the direction of Jack Waltemeyer, is one of the greatest farce comedies ever written. It has been used by some of our finest comedians, both in stock and on the road. The plot deals with a young man going to be married, and in a party celebrating his farewell to bachelorhood is arrested and sent to jail.

The impossible situations he gets in by trying to extricate himself from his difficulties makes the fun fast and furious. A laugh every minute, a sure cure for the blues, and the cast is the same that played "Peg O' My Heart" a few weeks ago.

Don't fail to see "Hello Bill" at the Star Theatre. Prices 15c & 35c.
