After a hot campaign for a municipal lighting plant, Silverton decided against the proposition by a vote of 288 to 47.

St. Helens Quarry Co. resumes operations with about 25 men Monmouth preparing to pave 3 blocks on main street.

Myrtle Point planning to pave 25 blocks.

Broccoli industry advocated by Southern Pacific for Coos Co. ranchers.

Rumors say that aluminum is in hills near Silverton.

Culver—Two story brick, several residence buildings and sawmill contemplated.

Oregon City—Contemplated work on new reservoir to cost about \$35,000.

Coos and Curry Telephone Co. and Coquille Valley Telephone Co. combine under one name, giving better service and ask Public Service Commission for increase in rates.

Motor Ship Construction Co. of California will establish a wooden shipyard in Portland.

Coquille lets contract for 3 blocks of bitulithic rock paving.

Dallas—Big cement rock quarry now working near here, producing 400 yards a week.

The three new ships, contracts to build which have been let to the big new Portland ship yard, will all fly a foreign flag. It is about time the preparedness talk in Congress got around to advocating laws under which our own people would be encouraged to build and register ships under the American flag.

### CORROBORATION

Of Interest to Stayton Readers.

For months Stayton citizens have seen in these columns enthusiastic praise of Doan's Kidney Pills, by residents of this locality.

Would these prominent people recommend a remedy that had not proven reliable?

Would they confirm their statements after years had elapsed if personal experience had not shown the remedy to be worthy of endorsement?

The following statement should carry conviction to the mind of every Stayton reader.

Mrs. M. Custer, 615 E. Third St., Albany, Ore., says: "I had an acute attack of kidney complaint caused by a cold settling on my kidneys. It made me so weak and lame that I could scarcely move around the house. The kidney secretions were too frequent in passage. Doan's Kidney Pills cured me." (Statement given Feb. 6, 1906)

AT A LATER DATE, Mrs. Custer said: "Doan's Kidney Pills have done me a world of good, and I will always recommend them."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Custer has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.

### OTHER PEOPLE.

When we take people merely as they are we make them worse; when we treat them as if they were what they should be we improve them as far as they can be improved.—Goethe.

### More Appropriate.

Sir George Alexander's original name was Samson before he went on the stage, and apropos of this fact a good story is told. A well known theatrical manager was once discussing Sir George with a friend.

"By the way, Alexander isn't his right name, is it?" inquired the friend. "No," said the manager. "It used to be Samson. It was a pity to change the name of Samson to Alexander."

"Oh, but Alexander conquered the world, you know!" laughed the other. "Yes," answered the manager, "but Samson is a more appropriate theatrical name. Have you forgotten that Samson was the first man who brought down the house?"—London Mail.

### Most Girls Want a Cake Winner.

"My son, I hope when you marry that girl you will show her that you are a breadwinner."

"You do? Well, if she can't make it I don't propose to gamble for it."—Richmond Times-Dispatch.
