## A Famous Physician's Wonderful Discovery

After a series of careful experiments and tests at the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., covering many years—Dr. Pierce, the medical director of that hospital made an announcement that he could prove that a medicine which he called "ANURIC" was the best uric acid solvent now to be had. As a remedy for those easily recognized symptoms of inflammation—such as scalding urine, backache and frequent urination, as well as sediment in the urine, or if uric acid in the blood has caused rheumatism, lumbago, sciatica, gout, it is simply wonderful how quickly "Anuric" acts; causing the pains and stiffness rapidly to disappear.  
Swollen hands, ankles, feet, are due to a dropsical condition, often caused by disordered kidneys. Naturally when the kidneys are deranged the

### English Beer Output Cut; Oregon Hop Market Affected

Portland—The export demand for hops is not going to be as much of a factor in the coming season as in past years, unless the war is brought to a close, as production of beer in England is to be limited.  
Word has been received from London that arrangements have been made between the British government and the Brewers' society to reduce the beer output from April 1, 1916, by 28 per cent of the output of the year ended September 30, 1914. The aim of this restriction is to reduce the importation of brewing materials by 50 to 60 per cent, though no direct steps will be taken to restrict the importation of materials.  
At the moment there is a very good market at all points on the Coast, and prices are, if anything, steadier than last week.  
The Furnish crop of 195 bales at Reedville was bought by Ralph E. Williams at 10¢ cents. Offers as high as 11¢ cents were made for good Oregonians in other sections.  
The Chamberlain lot of 126 bales at Chehalis was purchased by Harry L. Hart at 10¢ cents. Another important Western Washington deal was the sale of 350 bales of the Klaber crop at Chehalis at 11 cents. In Yakima orders at 11 cents are going unfilled. Only five crops remain unsold in the Yakima section.  
In Sonoma, where unsold stocks are reduced to 3000 bales, bids are out at 11 and 12 cents. The sale by Mrs. Duncan of 115 bales of Sonomas at 11 cents is reported. Hofer & Johnson sold 99 bales of Mendocinos, but the price was not wired. Marks bought the Gerber crop of 263 bales of Sacramentos at 9¢ cents.

### New Fruit Plan is Adopted.

Wenatchee, Wash. — It is probable that the majority of the large tonnage expected from the up-river country this season will be packed out through community or central packing sheds. The system of co-operative packing which has proven a success in California and Oregon has received a strong impetus in Okanogan county and the large centers. Ira Cleveland, of the Growers' league, expert on central packing, has returned from a two-weeks' campaign through the up-river country. Growers like the new system.

### Fruit Damage is Now Feared.

Marshfield, Or. — Fear is felt here for the fruit crop, particularly berries, in the finish of the present storm, which commenced five days ago. The weather has been cold and much hail has fallen at intervals. Strawberries which are about coming into market will be injured unless there is a sudden ending of the storm. Nearly three and a half inches of precipitation is the record for five days.

### Did the Trick.

Patriotism is a strong instinct in the breast of a certain elderly lady, who was recently much troubled at the failure of her three nephews to enlist. They were such stalwart, sturdy fellows that she was ashamed of them. When strong hints had been received in silence, her patience became exhausted. One day she sent a telegram to each of the three. These all bore the same message:  
"Your country is calling. Wire reply if you wish to borrow my ear-trumpet."  
She is now very proud of her three lads in khaki.—London Answers.

"No," replied his wife. "Somebody might recognize them."—Philadelphia Ledger.

### Rivals.

Two privates in a Highland regiment began arguing in the canteen as to the rival merits of Edinburgh and Glasgow—a burning topic north of the Tweed.  
"Ay, an' whif is yer Edinburgh?" sneered the Glaswegian. "Naethin' bit a hull wi' a castle, an' ruins on yin side an' a row o' ludgin' hooses on the ither!"  
"Bit jis' lulk at the fine buildin's we hae in Edinburgh!" protested the man from that city.  
"Oo, ay! Ye hae some fine prisons!"  
"Weel, an' fine we need them wi' sae mony cheap trips frae Glasgow!"  
"Here, some o' the world's greatest heroes live in Glasgow!" snapped the Glaswegian angrily.  
"Heroes! Humph! Sooner ca' them martyrs for livin' there!"  
"Ye will find Glasgow men a' ower the globe!"—proudly.  
"Mebbe"—calmly—"n' gey glad tae be oot o' it!"  
"At any rate," said the Glasgow man firmly, "Glasgow is a far greater place than Edinburgh!"  
"Awa', mon! Edinburgh is the capital o' Scotland!"  
"Weel, that's as may be," was the Glaswegian's final hit. "But heaven help ye if ye gang down Argyle street o' a Setterday night an' say it!"—London Answers.

### How to Heal Itching, Burning Skin Diseases

A Baltimore doctor suggests this simple, but reliable and inexpensive, home treatment for people suffering with eczema, ringworm, rashes and similar itching, burning skin troubles.  
At any reliable druggist's get a jar of resinol ointment and a cake of resinol soap. These are not at all expensive. With the resinol soap and warm water bathe the affected parts thoroughly, until they are free from crusts and the skin is softened. Dry very gently, spread on a thin layer of the resinol ointment, and cover with a light bandage—if necessary to protect the clothing. This should be done twice a day. Usually the distressing itching and burning stop with the first treatment, and the skin soon becomes clear and healthy again.—Adv.

**Next Best Thing.**  
A hospital nurse was testing a volunteer on his practical knowledge of first-aid work.  
"Now, what would you do in case a man collapsed?" she asked.  
"Give him some brandy, miss," replied the man.  
"But suppose you had no brandy?"  
"Sure, then," he answered cheerfully, "I'd promise him some."—Philadelphia Public Ledger.

**Entirely Different.**  
"What's this, daughter? You let Mr. Flubdub, whom you barely know, kiss you."  
"Now mother, let's get this thing right. I didn't let him kiss me. I merely let him try."—Louisville Courier-Journal.

**Getting Acclimated.**

# Health for Sick Women

For Forty Years Lydia E. Pinkham's Vegetable Compound Has Been Woman's Most Reliable Medicine —Here is More Proof.

To women who are suffering from some form of woman's special ills, and have a constant fear of breaking down, the three following letters ought to bring hope:—

**North Crandon, Wis.**—"When I was 16 years old I got married and at 18 years I gave birth to twins and it left me with very poor health. I could not walk across the floor without having to sit down to rest and it was hard for me to keep about and do my work. I went to a doctor and he told me I had a displacement and ulcers, and would have to have an operation. This frightened me so much that I did not know what to do. Having heard of Lydia E. Pinkham's Vegetable Compound I thought I would give it a trial and it made me as well as ever. I cannot say enough in favor of the Pinkham remedies."—Mrs. MAYME ASBACH, North Crandon, Wis.

**Testimony from Oklahoma.**  
Lawton, Okla.—"When I began to take Lydia E. Pinkham's Vegetable Compound I seemed to be good for nothing. I tired easily and had headaches much of the time and was irregular. I took it again before my little child was born and it did me a wonderful amount of good at that time. I never fail to recommend Lydia E. Pinkham's Vegetable Compound to alling women because it has done so much for me."—Mrs. A. L. McCASLAND, 509 Have St., Lawton, Okla.

**From a Grateful Massachusetts Woman.**  
Roxbury, Mass.—"I was suffering from inflammation and was examined by a physician who found that my trouble was caused by a displacement. My symptoms were bearing down pains, backache, and sluggish liver. I tried several kinds of medicine; then I was asked to try Lydia E. Pinkham's Vegetable Compound. It has cured me and I am pleased to be in my usual good health by using it and highly recommend it."—Mrs. B. M. Osgood, 1 Haynes Park, Roxbury, Mass.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.
