The readers of this paper will be pleased to learn that there is at least one bread and cheese that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.  
Address: J. J. GREEN, A. CO., Toledo, Ohio, 804 by St. Druggists, etc.

**DR. J. D. TURNER**  
**SPECIALIST**

Incorrectly prescribed glasses increase eye strain, deform the eyes, and make of your later years a time of permanently dimmed vision. Such glasses are common enough, but are eye destroyers and the product of inexperienced opticians. On the other hand, correctly prescribed glasses save the eyes from strain, increase their usefulness for you, if you wear them the day of dimmed vision may never arrive. Such glasses are eye builders and are prescribed by long experienced eye specialists. Dr. Turner has had years of hard practical experience as an exclusive eye specialist. This is no side line, for he devotes his entire time, energy and effort exclusively to the eye, coupled with being educated in the best schools and many years experience makes him a safe person for you to consult. Consult him at the Hotel Stayton, Wednesday May 31st and at Seio, Thursday June 1st. 5-25
