## Slip a few Prince Albert smokes into your system!

You've heard many an earful about the Prince Albert patented process that *cuts out* bite and parch and lets you smoke your fill without a comeback! Stake your bank roll that it proves out every hour of the day. Prince Albert has always been sold without coupons or premiums. We prefer to give quality!

There's sport smoking a pipe or rolling your own, but *you know* that you've got to have the right tobacco! We tell you Prince Albert will bang the doors wide open for you to come in on a good time firing up every little so often, *without a regret!* You'll feel like your smoke past has been wasted and will be sorry you cannot back up for a fresh start.

You swing on this say-so like it was a tip to a thousand-dollar bill! It's worth that in happiness and contentment to you, to every man who knows what *can* be gotten out of a chummy jimmy pipe or a makin's cigarette with Prince Albert for "packing"!

**PRINCE ALBERT**  
the national joy smoke

**THE PRINCE**  
Albert red tin, and in fact, every Prince Albert package, has a real message-to-you on its reverse side. You'll read:—"Process Patented July 30th, 1907." That means that the United States Government has granted a patent on the process by which Prince Albert is made. And by which tongue bite and throat parch are cut out! Everywhere tobacco is sold you'll find Prince Albert awaiting you in tippy red bags, 5c; tidy red tins, 10c; handsome round and half-pound tin humidors and in that clever crystal-glass humidors, with sponge-moistener top, that keeps the tobacco in such fine condition—always!
