"A pipeful of Tuxedo is a wonderfully pleasant form of tobacco enjoyment, mild and soothing."

D. W. Griffith

Scores of Big "Movie" Men—

producers as well as actors, are constant smokers and outspoken friends of Tuxedo. It's just the soothing, restful, refreshing smoke men of their nerve-racking vocation need. Nothing calms and comforts a hustler like a pipe of mild, cool, sweet Tuxedo.

Tuxedo

The Perfect Tobacco for Pipe and Cigarette
Tuxedo is aged from three to five years in wooden hogsheads to make it mellow and sweet flavored. But the thing that takes out all the bite and harshness and makes Tuxedo so bland and gentle that it can't hurt the most sensitive tongue or throat, is the famous and exclusive "Tuxedo Process."

One week's trial of Tuxedo will show you.

The fourth will soon be here with all of its noise. But how we all enjoy it when we think of the poor people on the other side.
