A UNIQUE RECORD

Very Few Like It In Our Broad Republic

Grateful testimony for Doan's Kidney Pills, published everywhere is of itself convincing evidence of merit. Confirmed testimony forms still stronger evidence. Years ago, a citizen of this locality gratefully acknowledged the benefit derived from Doan's Kidney Pills. The statement is now confirmed—the proof more convincing. Cases of this kind are plentiful in the work of Doan's Kidney Pills—the record is unique.

P. W. Brown, retired farmer, 1499 State St., Salem, Ore., says: "Hard work weakened my kidneys and I often felt the effect in lameness and soreness across the small of my back. Finally, my attention was called to Doan's Kidney Pills and I used some. The back-ache and soreness left me." (Statement given January 31, 1906).

STILL USES DOAN'S. On April 11, 1916, Mr. Brown said: "I still consider Doan's Kidney Pills a medicine of merit and they always do good work whenever I take them."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Brown has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.

Rex Beach by Walt Mason

Among the world's great story tellers, those gifted, entertaining fellers, Rex Beach is stacking high; and I am always in my glory when I have got a new Beach story; it suits me more than pie. Red blood in all his yarns is seething; his characters are living, breathing, not dummies made of wood; strong men admire his kind of writing, of heroism, peril, fighting—it's always to the good. And Rex, when he is busy working, his trusty old typewriter jerking, until it busts a spoke, to have his inspirator quickened keeps all the air around him thickened with rich Tuxedo smoke. Say, have you noticed, gentle readers, how many famous men and leaders explain Tuxedo's worth? As man's great solace they expound it, and that's because they all have found it the best there is on earth.

REX BEACH
Famous Author, says
"I have smoked Tuxedo in sub-Arctic Alaska, at Panama, and everywhere—would not smoke another kind."
