**Secret Worth Buying.**  
Mr. Rounder (at police station)—Can I see the burglar who was arrested for breaking into my house last night?  
Chief (hesitatingly)—Well, I don't know. What do you want to see him about?  
Rounder—Oh, there's nothing secret about it. I just want to find out how he managed to get into the house without waking my wife.—Boston Transcript.

**Ouch.**  
They were sitting in a secluded corner of the veranda. For a long time neither of them had spoken. Suddenly he took her little hand in his. His voice was choked with emotion as he said:  
"Do you think you could ever learn to love a man?"  
"Yes," she interrupted in a soft whisper. "Bring on your man."—New York World.

**True View.**  
The late James J. Hill, the railroad king, was a man of buoyant optimism. "Failure," he once said in an address to railway men, "failures are always pessimists. Successes, on the other hand, are optimists. Which is right?"  
He paused, then added:  
"It's easier to slip down hill than to climb up, but the view, remember, is at the top."

**Sometimes Apply It Lightly.**  
For cuts, burns, scalds, sores and open wounds always apply Hanford's Balm lightly, but be sure that it covers and gets to the bottom of the wound. A few light applications are generally all that is needed to heal this class of difficulties. Adv.

**Ship 12 Cars Fruit Daily.**  
Puyallup, Wash.—With more than 8000 berry pickers in the valley and the berries ripening very fast, President W. H. Paulhamus, of the Fruit Growers' association, said that the association will ship a dozen cars of berries a day for the coming week.  
About 2000 pickers can still be used in the valley, Mr. Paulhamus estimates. Ranchers in the vicinity of Puyallup are in greater need of pickers than are summer ranchers, because most of the Puyallup berries are Antwerps and Marlboros, and ripen much faster than the Cuthberts.

**Umatilla Crop Promising.**  
Pendleton, Or.—With harvest in Umatilla county a week or two late, predictions are that a much larger crop will be harvested than was expected a short time ago. The cold spring was a great hindrance to growing grain, but recent rains, followed by warm days have brought out the crops wonderfully, especially in the lighter grain sections. Wheat and barley are ripening rapidly. Usually cutting begins in most of the wheat sections shortly after July 10, but it is reported little will be cut this year before August 1.

**Hay Harvest Starts on Coast.**  
Marshfield, Or.—Haying season, which comes later on the Coast than elsewhere in Oregon, is in full swing and the crop is abundant. The ranchers on Coos river have been busy with their mowing machines for the past week, and the Coquille valley farmers are also harvesting their hay. Many Coos county stockraisers depend upon crop ensilage rather than hay and that crop will be gathered later in the year.

**Roseburg Shipping Sheep.**  
Roseburg, Or.—More than 1000 sheep were brought here Sunday by George Kohlhaugen, preparatory to being shipped to the San Francisco markets. As many more were shipped to California Saturday by Pelton & Selmann, local livestock buyers.

**Washington Park, Ill.—**"I am the mother of four children and have suffered with female trouble, backache, nervous spells and the blues. My children's loud talking and romping would make me so nervous I could just tear everything to pieces and I would ache all over and feel so sick that I would not want anyone to talk to me at times. Lydia E. Pinkham's Vegetable Compound and Liver Pills restored me to health and I want to thank you for the good they have done me. I have had quite a bit of trouble and worry but it does not affect my youthful looks. My friends say 'Why do you look so young and well?' I owe it all to the Lydia E. Pinkham remedies."—Mrs. ROBT. STOFEL, Moore Avenue, Washington Park, Illinois.

**We wish every woman who suffers from female troubles, nervousness, backache or the blues could see the letters written by women made well by Lydia E. Pinkham's Vegetable Compound.**  
If you have any symptom about which you would like to know write to the Lydia E. Pinkham Medicine Co., Lynn, Mass., for helpful advice given free of charge.

**Wish to marry my daughter, do you? Take my advice, don't.**  
"But why, sir?"  
"I have noticed evidence of insanity in her lately."  
"Good heavens! What evidence?"  
"She says she wants to marry you."—Boston Transcript.

**Knew Her Ways.**  
"Well, I must be going, old man. I've an appointment to meet my wife."  
"Oh, she will, just about. I'm two hours late."—Boston Transcript.

## Northwest Wheat Crop Estimated at 55,000,000 Bushels

The wheat crop of the Pacific Northwest is estimated by grainmen at from 54,000,000 to 56,000,000 bushels. The remarkable improvement made in the past few weeks justifies them in raising their estimates to these figures.

At the present time the weather could not be better for filling out, and glowing reports are coming in from all sections.

As to the future prices, the situation is as uncertain as it ever was, but one thing seems sure that is that the market will be on the basis of Chicago. The tendency now is to get on a parity with the East. The late Chicago bulge put that market up about 7 cents, whereas prices here have advanced only about 3 cents. The coast market is not yet on the Chicago parity, but it is not far from it.

## If you Suffer from Backache, Lumbago, Kidneys or Rheumatism, Take Hot Water and "Anuric."

American men and women must guard constantly against kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out, they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead, when your back hurts white urine is cloudy, full of sediment, or you are obliged to seek relief two or three times during the night, when you suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your druggist—"ANURIC." Because of uric acid in overabundance in the system, backache,

pains here and there, rheumatism, gout, gravel, neuralgia and sciatica result. It was Dr. Pierce who discovered a new agent, called "Anuric" which will throw out and eradicate this uric acid from the system. Dr. Pierce believes "Anuric" to be 37 times more potent than lithia, and consequently you need no longer fear muscular or articular rheumatism or gout, or many other diseases which are dependent on an accumulation of uric acid within the body. Send Dr. Pierce, Invalids' Hotel, Buffalo, N. Y., 10c. for trial package or \$1.00 for full treatment "Anuric."

Dr. Pierce's reputation is back of this medicine and you know that his "Pleasant Pellets" for the liver and his "Favorite Prescription" for the ill of women have had a splendid reputation for the past 50 years.
