CANADIAN TOWNS BURN; 150 DEAD

Brush Fires Sweep Over Large Area in Ontario District.

DEATH LIST MAY BE INCREASED

Isolated Settlers Driven to Refuge in Rivers and Lakes—50 Dead in One Village—Relief Sent.

Take orders for Rosenthal's Shoes. Act as ex-clusive agent. Write today for instructions. Make \$15.00 to \$40.00 weekly; others do. from Northern Ontario say that the towns of Cochrane, Matheson, Nushka Station and Timmons have been wiped out by disastrous bush fires which started Saturday. Porcupine Junction and Iroquois Falls and reported burn-

At least 150 persons have perished. Fifty-seven bodies are reported found at Nushka Station and 34 at Matheson. Many are injured. All wires are down north of Engle-

hart and only meager reports have so far been received from refugees. HIDES, PELTS, CASCARA BARK, A relief train with doctors has left

North Bay for the scene and Cobalt

has sent coffins. Several small towns have been wiped out by the flames that have been raging for 48 hours. Reports thus far received show that 57 perished at Nushka, a French Canadian settlement, and 34 at Matheson. Cochrane has 18 killed and 34 injured, Iroquois Falls 15

The death list will be materially increased, it is feared, by victims in outlying districts. There are apparently well authenticated reports that many prospectors have been trapped at Tashota and Kowash.

dead and many injured and Ramore 15

dead.

One farmer and his ten children are known to have been burned, while the man's wife was vainly seeking aid to check the onrushing flames.

Nushka, s hamlet consisting of a score of frame buildings and stores, suffered worst. It had been threatened for several days but the residents lingered in the hope they might save their homes. They waited too long, however, and walls of fire cut off es-

Early High Prices Paid for Prunes Not Repeated Now

Portland-The prune crop outlook in the Northwest is enitrely satisfactory 'Well, and how's old Mrs. Brown? and a record crop now seems assured. I'd like to see her again," remarked One of the leading packers estimates the yield at 40,000,000 pounds. The largest crop heretofore was about 30,-You'll never see poor Mrs. Brown 000,000 pounds, produced eight or nine years ago. Since that time many new she's dead. But remember, we all orchards have come in. Because of the increase in acreage, even if the by law," said the good wife, looking fies, Nent, clean, ornamental, convenient, and cheen crop were on a parity with last year's, up from her paper.

"What should be stopped by law, my would be realized.

The market at the present time is

To keep clean an healthy take Dr. Pierce's Pleasant Pellets. They regupaid for many years, and between 25 and 30 per cent of the crop was signed up, but the quotations are not obtainable now. In fact the leading packers are out of the market as buyers for orders from the East. Jobbers in the Eastern states bought only limited quantities, owing to the high prices, but they declare they have enough be had later on the Coast than are re- wan o' thim big guns?" quired for United States consumption. no export business done in the article

the season were ascribed to the uncertainty as to the Northwestern tonnage, and the fact that the California market was then ruling high. This enabled Northwestern packers to do a fair amount of business at a very good

Rate on Crabs Delayed.

Salem - Wells, Fargo & Co. has agreed that, pending a hearing by the Public Service commission set for July 31 at Portland, it would transport crabs from Newport, Or., to Portland, charging on the basis of 22 pounds a dozen, instead of by actual weight, as heretofore. This charge in on the same basis as the rate on crabs from Puget Sound points to Portland.

George Plancich, of Portland, complained to the commission that the Wells-Fargo rate on crabs discriminated in favor of Puget Sound dealers.

Oregon Juice in Demand.

juice by the Eugene Fruit Growers' association cannery this season has amounted to almost 15,000 gallons, several times the production of any previous season. Manager J. O. Holt reports the demand for his Oregon product constantly increasing.
