Strong Offensive Begins Along Entire Greek-Serbian Frontier.

FRENCH CAPTURE FIVE VILLAGES

Austrians Retire From Gateway Into Pass of Carpathians — British Busy on Western Front.

London-The long-expected general offensive on the Saloniki front has opened and the grand assault againt thes forces of the central powers now is in progress in every theater of the world-war. General Sarrail is attacking the Bulgar-German forces along the entire Greek-Serbian frontier, a distance of more than 150 miles.

Reports from both Berlin and Paris indicate that the entente allies are following the same tactics in the Balkans If you are that signalized the opening of the great offensive on the Somme. Small interested bodies of troops are attacking at nu-merous points along the Bulgarian line, apparently with the intention of feeling out their opponent's positions before the real battle opens.

The French report the capture of five villages in the initial phases of the offensive, while Berlin reports the capture of Florina, a Greek town 15 miles southeast of Monastir, from the Serbians.

On the eastern front the Russians have forced their way into the heart of the great mountain barrier between Galicia and the Hungarian plains. The Austrians admit a retirement west of Jablonitza, the gateway to one of the most important passes through the mountains, which was seized by the Russians last week. In this district the Austrians are retreating toward the Chronahora ridge, the highest point in the Carpathians in that region. From this ridge the ground falls rapidly to the plains of Hungary.

Farther to the south, on the Buko-wina end of the battle line, the Austrians have been forced back in their advance on Kirlibaba, the next pass south of Jablonitza and about 50 miles from that point.

Daily attacks by the British against the German lines north of the Somme in France are having their reward, and Sunday was reported the most notable gain in some days in the region of Guillemont. After withstanding German counter-attacks, the troops of General Haig again assaulted the opposing trenches and gained from 200 to 600 yards along a front of 11 miles.

German Submarines Sink Two British Cruisers in North Sea

London-Two British light cruisers, the Nottingham and Falmouth, were sunk Saturday in the North Sea by German submarines, while the vessels were searching for the German high for cash! Wrise to CARTER REALTY CO... 604 Buchanan Building, Portland, Orego seas fleet, according to an official announcement issued by the admiralty shortly before mid-night. One German submarine was struck, while another was rammed and possibly sunk. lady says she would like to have some

The statement says: "Reports from our lookout squadrons and other units showed that there was considerable activity on the part swers. of the enemy in the North Sea Satur-day, the 19th."

London — A German squadron of some 15 warships, including large cruisers, is reported in the North Sea by trawlers arriving at Ymuiden, Holland, a Reuter dispatch says,

The squadron was sighted eafly Sunday in the region of Whitebank, and was accompanied by two Zeppelins, it was announced, on a northerly cruise.

Paris-Bulgarian troops are advancing toward the Greek seaport of Karala, it was announced Monday. They have seized two Greek forts. At several points along the front new engagements have been fought.

London-The British troops on the Saloniki front have advanced and repulsed Bulgarian counter - attacks. British cavalry have been in touch with the enemy.

Troops' Condition Good.

Houston, Tex.-Governor Dunne, of Illinois, who arrived in Houston after an inspection of the military conditions along the border, said: "I came to Texas to satisfy myself as to the conditions of the soldiers on the border because of some of the newspaper accounts which we received. I found that the most scrupulous care was being taken of the soldiers, that their physical condition was excellent and that their surroundings were good. Everything that possibly can be done for their comfort is being done."

Shark Breaks Up Race.

Boston-Henry F. Sullivan, of Lowell, was declared the winner over Charles Toth, of Boston, Sunday in a swimming race between Race Point, Provincetown, and Nantasket Beach. Toth was taken from the water by his trainers when a shark circled about him after he had covered 175 miles in a little more than 14 hours. Sullivan covered 25 miles. His followers said he was in the water 20 hours and 20

cents a hundred Tuesday, and granulated cane is now quoted at \$7.85. The decline affects all grades. This is the third drop in sugar in the last two weeks. Dealers expect perhaps one or two more small declines as the new crop comes in, but say that a general shortage will result in high prices for sugar again this winter.

published a fictitious letter or name, come from California.

Prune Market Remains Dormant. Roseburg, Or .- That the prune market is dormant at present, with no indication of revival, was the statement made here by a number of the leading buyers. "The prune growers of Douglas county and California have placed their crop on a 6-cent basis," said one buyer, "and the Eastern distributors other said several carloads had been purchased for 7 cents, but recent offers nad not exceeded 6. Because of this, local dealers are making little effort to contract for the Douglas county crop.

Free Planting Near Mount Hebo Shows Good Results.

More than 99 per cent of the trees planted by the forest service this pring at Hebo, Tillamook county, Ore-ton, on the Siuslaw national forest, are still living, according to an inspection report just received by J. F. Kummel, Portland, Oregon, who has charge of the forest service planting perations in Oregon and Washington. Seven hundred acres were planted in April and May with two-year-old Douglas fir seedlings, grown at the Wind River nursery near Carson, Washington. The trees were spaced about 8'x8', making a few less than

700 trees to the acre. The total cost of planting was \$8.50 per acre. This includes cost of growing the trees at the nursery and getting them to the area, as well as the actual planting 2 Cures While You Walk.
