BARNUM & BAILEY CIRCUS COMING

At last the welcome news has been announced that the youngsters and outsiders of this vicinity will have an opportunity to visit the Barnum & Bailey Greatest show on earth. This great circus will be within easy traveling distance when it exhibits in Salem on Sept. 9th.

This year Barnum and Bailey announce an all new novelty circus, composed of more foreign acts than ever before. An important feature is the new, Oriental spectacular pageant, "Persia, or the Pageants of The Thousand and One Nights." In this gorgeous display more than 1,350 persons participate. The Oriental music incidental to the production is rendered by 250 musicians, and 3,500 costumes are worn in the various actions of the pageant.

The circus program will be one of unusual novelty and variety. More than 450 scenic artists will appear in the various acrobatic, aerial and riding numbers, and an army of fifty of the funniest clowns on earth will keep the audience convulsed with laughter.

Among the new acts to be offered for the first time this season are four great troops of Chinese artists, presenting a complete Chinese circus, replete with thrilling aerial and acrobatic feats. The famous Hanseford family, champion riders of Europe, are another new importation, as is also Signor Bagonghi, Italy's famous dwarf equestrian. More than twenty trained animal acts will be included in the program, headed by Pallenberg's two marvelous troops of trained bears.

The Barnum & Bailey circus is larger this season than ever before and requires 89 cars to transport it. It carries 1,400 persons, 780 horses and a greatly enlarged menagerie of 108 cages and 41 elephants.
