Maxwell Service SERVES

Maxwell has put a real meaning into the word "Service."

Simply by requiring every Maxwell dealer to carry a full supply of Maxwell parts—so that he can replace any damaged or worn part at once, without waiting for parts to be shipped from the factory.

If you are a Maxwell owner your car will always be in running order because our dealer—any Maxwell dealer—can give you real and immediate service. If he couldn't, he wouldn't be a Maxwell dealer.

Not more than one or two automobile builders in the country can give you service that compares with Maxwell Service.

This is a vital point. Investigate it fully before buying your car.

Roadster \$580; Touring Car \$595; Cabriolet \$665; Town Car \$915; Sedan \$985. Fully equipped, including electric starter and lights. All prices f. o. b. Detroit.
