Just exactly what is the matter with conditions at the state penitentiary, and what the remedy is, is a question that is getting harder to answer each day. Some think that when Mr. Minto is Platina Ore., Mining Co. and output will be increased to 200 tons out it will quiet down but we doubt it very much. Although we daily are not in favor of the old time cruelties to the prisoners, yet neither are we in favor of making a penal institution into a fash- now bearing, Clatsop county expects to make a dent in the future ionable boarding house. There was a gentleman in Stayton last cranberry market. week soliciting money to help men who had been released from wrong end. Did you ever see anyone around soliciting money to keep men our of prison? Why not use more precautionary measures and not so much aftermath regrets.

..........

up. So is paper, and a thousand other things. The seat of your Bank and affiliated lines for 160,000 ties. pants will wear out just as fast as ever-if you don't walk around more-and if you do that you will have to buy a pair of shoes that much quicker. Money, money! You manage to get hold of the tail feathers of an eagle, and there are half a dozen hands stretched for it inside half an hour. "All right, Bill, let 'er go," and circulation starts up once more.

On another page will be found the tickets put up for the worth of additional machinery. city election to be held Monday, December 4. If the people of Stayton would hold and pull together as consistently as the seventy supply water to land owners in district north of river. five high school pupils have done, they could do wonders in this little city of ours.

Turkey and cranberry sauce is reserved for November 30th. this year.

It is time to begin to think about Christmas.
