The proposed bill to kill commercial fishing on the Rogue river should get such a defeat in the legislature that no more industry killing legislation of that kind will be proposed.

Roseburg—Total tax levy of Douglas county for 1917 \$376,328, as against \$413,203 for 1915.

Whiskers of Fel...  
Cats' whiskers are absolutely necessary to them, according to the Popular Science Monthly. For the whiskers are as long as the cat's head is wide, and the head is as wide as the body, so wherever the whiskers go there may the cat go also.  
The tiny, delicate hairs grow from glands and are served to the utmost sensibility. No matter how light the touch of the hair against an obstacle, it is felt instantly by the cat. As cats prowls much at night the whiskers serve them better than eyes.

Power of Flattery.  
Wife (in the cafe)—George, that brute over there has been staring at me for half an hour. Somebody ought to knock his fool head off. George (to stranger)—What do you mean, sir, by ogling my wife? Stranger (calmly)—I'll admit that I have taken more than passing notice of the lady. A more than ordinarily pretty woman always attracts my attention. Wife—Now, George, don't make a fool of yourself and start a scene in here. The gentleman evidently meant no harm.—Puck.

GIL DINNED IF IT AIN'T YOU DON'T HAVE TEA URID ON IT. IN PER IF ALL RIGHT.

AND THE SIZE CHEW DON'T HALF AS BIG AS YOUR OLD ONE. IT TASTES BETTER, AND WILL LAST LONGER.

**THE young fellows teach the old ones and the old ones teach the young—that's the way it is with W-B CUT chewing gum along. Less chewing for feeble jaws, less chewing for husky jaws—but the big point is satisfaction. Never before has there been so much satisfaction in so little a chew. It's rich tobacco, W-B CUT is. It makes you feel sorry for the fellows who chew so much of the old kind for so little benefit.**
