The hog market continues to soar skyward.

The Czar of Russia has abdicated his throne and from present indications there will soon be a republican form of government in that part of the world, and there is a bare possibility that the revolution in Russia is the beginning of the death knell to all crown heads of Europe. One thing sure that for speediness and lack of bloodshed the Russian revolution has them all beat. If she can only get started off right the possibilities that lie before her are unlimited, for the natural resources of that great country have never been developed or any attempt made to develop them. With the proper encouragement from the Government the development in that great country will startle the world.

The readers of this paper will be pleased to learn that there is at least one remedied disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

OREGON INDUSTRIAL REVIEW

Mar. 19—Bend has opened the new \$80,000 Pilot Butte inn. Rasmussen & Co. will build a \$60,000 paint warehouse at Portland.

Salem—State buildings amounting to \$150,000 let to architects.

Portland organizations have initiated an anti-picketing law to protect business against conspiracies, boycotts of any kind.

Oregon City gets \$10,000 hospital improvement.

East Portland to get a \$20,000 bakery.

Gold Hill—Cinnabar mines in Sams Valley being worked for quicksilver.

Eugene—Farmers creamery will add a 300 lbs. a day cheese factory.

Oswego cement plant will receive 1,000 tons lime rock from Gold Hill.

Portland has two electric light and power plants, neither one making money, and is now to have a municipal plant forced upon the city. Besides adding a few millions to the city debt, adding hundreds to the city payrolls and scrapping presents plants nothing will be gained.

Swift Livestock Co. has bought bank at Bend to promote cattle industry.

Lebanon has subscribed nearly \$10,000 and seems sure to get a cannery.

Hood River—Oregon-Washington telephone company shows loss for 1916 of \$4087.51.

To merely parallel main line railroads with hard surface roads cripples the former and helps develop the state very little.

Corvallis—Electric trains to be running here in 60 days.

Marshfield—Kruise & Banks soon to launch another ship.

Gladstone—Brick factory planned here.

Silverton—Cheese factory opens here.

Salem—Associated Oil Co. to build \$30,000 distribution plant here.

Union Pacific railroad carries on big campaign to colonize European immigration on idle lands of the west.

Eugene Creamery plans to establish cheese factory.

Springfield—Favorable decision rendered in favor of S. P. Co. in unmerging suit undoubtedly means building large car shops at Springfield.

Brookings—1200 foot wharf to be built here.

Linnton—Citizens here suffer by jitney tactics—fare raised at rush hours, relief sought. Portland laughing stock of Pacific coast for failure to regulate jitneys.

Eugene cannery to try packing pork and beans.

Cottage Grove cannery expects great year.

\$60,000 road being surveyed across Morrow County.

Oregon City Woolen Mills running double time.

Pacific Coast Defense League organizes with primary object to obtain construction of military highway from Canadian to Mexican line.

Coquille—Reynolds mill starts on 12,000,000 foot spruce order for Great Britain.

Coos Bay—S. P. Co. lets contract for rip-rapping new bridge piers. Will take 10,000 tons of rock and employ 30 men 4 months.

Roseburg—Broccoli shipments to begin soon. Several carloads to be canned this year.

Donald citizens installing numerous electric motors for cheap power.

Baker—Stoddard Lumber Co. to make \$25,000 improvements.

The Dalles—Wittenberg-King Co. to enlarge plant at cost of \$15,000.

Canyon City—Sumpter Valley Ry. to expend \$150,000 on improvements.

Gervais working for cannery.

West Linn proposes \$14,000 school.

Coquille—\$18,000 of paving to be laid here in business section.

Molalla—\$100,000 corporation prepares to send fire clay from here to Ohio.

Lakeview—Project on foot to irrigate 54,000 acres between Lawlen and Crane.

Salem to have a \$75,000 hospital.

Coos Bay to start \$300,000 road work.

Lane county to try experiment of growing rice.

Waterpower development means everything to the west. So called conservationists have hindered waterpower development at this critical time, and congress fails to pass remedial legislation.

Portland will put \$3,000,000 bond issue for grain docks and elevators up to vote of the people at next election.

Tillamook to get two-story \$12,000 theatre.

THE GOOD JUDGE OVERHEARD THE TRAVELERS TALKING W-B CUT TOBACCO

YOU SAY YOU ENJOY GOOD TOBACCO? THEN TAKE A CHEW OF THIS W-B CUT AND TELL ME HOW IT GOES!

I DO ENJOY GOOD TOBACCO AND HAVE A CHEW IN MY MOUTH NOW--IT'S W-B CUT TOOT!

HEH HE! STANDING USE TOBACCO OF THE BEST QUALITY!

IT'S natural that a gentlemanly feeling should prompt one man to tell another about W-B CUT Chewing, so he, too, may enjoy the contentment there is in rich, sappy tobacco—and also avoid so much chewing and spitting.

The common-sense of it appeals to people with brains. There's no getting 'round facts, W-B will save a man money—a little chew lasts and satisfies. A 10c. pouch goes twice as far as ten cents' worth of the old ordinary kind of chewing.
