IS IT YOUR KIDNEYS?

Don't Mistake the Cause of Your Troubles.

Many people never suspect their kidneys. If suffering from a lame, weak or aching back they think that it is only a muscular weakness; when urinary trouble sets in they think it will soon correct itself. And so it is with all the other symptoms of kidney disorders. That is where the danger often lies. You should realize that these troubles often lead to dropsy or Bright's disease. An effective remedy for weak or diseased kidneys is Doan's Kidney Pills. Residents of this vicinity are constantly testifying.

O. S. Clark, retired farmer, 719 Ugle Ave., Dallas, Ore., says: "My back got so stiff and lame that I could hardly move. I also had attacks of lumbago that pulled me to the ground and I was unable to get up on account of the awful pain in my back. My kidneys were very irregular in action. I finally began taking Doan's Kidney Pills and they certainly did good work. Of late years my back has given me very little trouble and my kidneys have been in good condition."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Clark had. Foster - Milburn Co., Props., Buffalo, N. Y.
