## Stayton Red Cross Auxiliary Organized

Sunday afternoon there was a well attended and enthusiastic meeting held in the H. S. auditorium in the interest of the American Red Cross Association and the auxiliary was organized for Stayton.

There were a number of Red Cross workers from Salem present among them were Dr. Eppley, Hon. Aug. Huckestein and Mrs. E. E. Fischer. Mr. Huckestein and Mrs. Fischer both gave very interesting and instructive talks. Mrs. Fischer spoke on the work the organization is doing at present while Mr. Huckestein gave a resume of the association from its inception to the present time. Dr. Eppley who enjoys an enviable reputation as a singer delighted his audience by singing "Don't Bite the Hand that's Feeding You" and for an encore sang the "Star Spangled Banner" with the gathering joining in the chorus. From the applause that greeted his singing and the speeches you could see that there was not only enjoyment of the splendid program but genuine enthusiasm and patriotism manifest.

The rules of the Red Cross prohibit the organization of a chapter in towns of less than 5000 inhabitants but allow for the organization of an auxiliary wherever as many as ten persons signify their desire to join and the Stayton auxiliary was organized with 18 charter members. Willamette chapter at Salem has all the auxiliaries in Marion and Polk county in its jurisdiction so we are allied with that chapter. The work planned

for the local auxiliary is all home work so no one need be afraid they will have to leave home if they join, and it is the duty of every citizen to become a member and thus aid in the work of relieving distress not only in time of war but whenever and wherever found.

The local organization held a very interesting meeting in the H. S. auditorium Tuesday evening when a short program was rendered and the following officers were elected: Chairman, Mrs. J. P. Wilbur; vice Chairman, Mrs. J. M. Ringo; Secretary, Mrs. G. F. Korinek; Treasurer, J. M. Ringo. Dr. Beauchamp was temporary chairman and occupied the chair until after the election, when Mrs. Ringo took charge of the meeting. After the meeting several joined, bringing the membership up to 46.

## Another Pioneer Passes Away

Mrs. George Niebert passed away Thursday May 10, 1917 at her home in Stayton, Oregon at the age of 75 years, 6 mo. 9 days. Although she has been ill previously her sudden death came as a shock to the members of the family and also her many friends.

Mrs. Niebert was born Nov. 1, 1841 at Bavarian Kingdom, Long Brook, Germany. When only four years of age she accompanied her parents to America. In 1858 she married Joseph

Mrs. Geo. Niebert

Buhl in Marion Town, Wisconsin. To them were born three children of whom two survive. Mr. Buhl departed as a soldier in the Civil War and never returned. In 1866 she was married the second time to George Niebert in Wisconsin. Ten years later Mrs. Niebert traveled with her husband and family to Oregon and settled in the Waldo Hills. Sometime later they removed to Stayton and have re-

sided there since. Seven children were born to them and five still remain to mourn the loss of a most dutiful mother.

The children who survive are: Mrs. Michelbook McMinnville, Ore.; George Buhl of Lebanon, Ore.; Mrs. Helena Yannke of Salem, Ore.; Mrs. E. T. Mathieu, Jake and Conrad Neibert and Anna Neibert all of Stayton Ore. She is also survived by eleven grandchildren and three great-grandchildren.

## Canning and Drying Beans and Rhubarb

Whenever practicable, the housewife should dry her winter supply of fruits and vegetables and the following suggestions may be of assistance in two very valuable articles of food that are usually canned.

String Beans should be prepared as for cooking and then dried in the sun or a warming oven. They will keep nicely all winter and are very delicious, but they must be soaked over night before using. By parboiling the beans before drying, they require less cooking afterward.

Rhubarb should be cut into short lengths and dried in the sun or a warm oven.

For canning rhubarb, cut into pieces 1 1/2 inches long, scald 1 to 2 minutes and cold dip, then pack tight in sterilized jars. Make a syrup of one cup of sugar to 1/2 cup of water. This will be sufficient for one quart. Fill crevices with syrup, put on cover, partially tighten, and sterilize 20 minutes.

When rhubarb, late in the season, becomes tough and fib-

## War Census Registration Soon

Portland, Ore., May 15.—Every man between the ages of 21 and 30 years, inclusive, must register on the day soon to be proclaimed by President Wilson for the war census.

There will be no exceptions to this rule. Even if a man belongs to one of the exempt classes, he nevertheless must register if he is between 21 and 30 years of age. The government will determine who is to be exempt after its records are complete.

Brigadier General George A. White, adjutant general of Oregon, working under the direction of Governor James Withycombe, has put the machinery to work and his first request of every man affected by the census is that he make a careful study of its provisions to eliminate all possible confusion at the polls.

Registering for the war census should be no more confusing than casting a vote. The general plan

## Sunday School Room Completed

The Loyal Sons class of the Christian Church can now boast of the best room of its kind in the city. After several months work these young people, ably led by Mrs. Ed Young their teacher have added a Sunday School room to the church which is a credit to them and the church and it is a pleasure to see the untiring efforts of these youngsters rewarded with the results obtained. The room will be sealed in a short time and painted on the outside and when this is completed they will have a Sunday school room the equal of many in larger cities than ours.

## All Wool---style---value

### Three reasons for coming here

You know these are unusual times; wool is hard to get, so in many cases cotton is substituted in clothes.

You have to be careful or you'll get cotton mixed goods—you don't want them.

The way to be sure of all-wool is to come to this store; you'll get Hart Schaffner & Marx clothes. These makers use nothing but all-wool. Such clothes may cost a little more than the other kind, but they're worth many times more.

For smart style, good fit, big values, and elegance in detail, you can't equal Hart Schaffner & Marx Clothes. We don't say that because we sell the clothes; on the contrary, we sell these clothes because we can say these things about them. And that's another good reason why you should come here.
