OREGON INDUSTRIAL REVIEW

Summary of State and National Affairs—Industrial, Civic and Educational Advancement for the Week—Progress in Factories, Payrolls and Development Enterprises.

May 21—Portland—\$6,000,000 shipbuilding job let in Oregon. Portland yards will build 10—6 will be built by Peninsula Shipbuilding Co., 4 by Coast Shipbuilding Co., 2 by C. A. Smith Lumber Co., at Coos Bay. Vessels will be wood and cost about \$500,000 each.

Pacific Telephone & Telegraph Co., in compiling survey of Portland, completed recently, considered following factors as those most likely to affect the future population of city: transportation, lumber, shipbuilding, manufacturing, trade territory, legislation, community spirit, center of culture, tourist trade, mining and banking. The future population of 500,000 in 1927 was determined after an exhaustive study of all these factors.

Bend—Brooks-Scanlan Lumber Co., to seed many acres. Development of logged-off lands may result in big aid to stock-carrying for owners. Practically all land cut over by the company in its operations last year, amounting to 2000 acres, is being fenced, and experiments with grass seeds recommended by County Agriculturist Blanchard made on selected section.

Marshfield—Wages at sawmills increased to \$2.91 1-2 a day and 300 more men wanted.

Coos Bay—General business outlook for this section has never been so good as at present.

Grant county will vote on June 4 on a \$14,000 road-bond issue.

The drastic new cigarette law illustrates folly of too many laws.

Bandon—Prosper Mill Co., raise wages 10 per cent. Work to be started on aeroplane stock.

Benton county farmers keep tractor plows going day and night and Sunday.

Oregon railroads lose \$500,000 to \$600,000 a year by free passes.

Salem—Wholesale manufacture high price shirtwaists succeeding here.

Pendleton will expend \$2,000 on water supply intake.

Astoria—Machinery for paper mill on Young's Bay arriving.

Rev. Father E. V. O'Hara has resigned as head of State Welfare Commission.

Coos county industries suffer from I. W. W. invasion and sabotage.

St. Helens Shipbuilding Co. launches third 5 masted auxiliary schooner. Contract taken for another lumber carrier 300 feet long with capacity of 2,000,000 feet.

Scene from Civilization: Star Theatre Friday May 25th.

CARD OF THANKS

Having disposed of my dairy to J. B. Boganska and G. J. Neumeister, I wish to thank my friends and patrons for their patronage and ask a continuance of same for my successors, also ask the patrons to turn over all bottles to the new firm.

Yours Truly,
A. T. Brewer.

YOUR KIDNEYS

Stayton Residents Must Learn The Importance of Keeping Them Well.

Perfect health means that every organ of the body is performing its functions properly.

Perfect health cannot be enjoyed if the kidneys are weak and disordered. Thousands testify that Doan's Kidney Pills have a reviving action on weak kidneys.

What this remedy has done in so many cases of this kind is the best proof of its merit.

Read the following. It's testimony gratefully given by a resident of this locality:

Mrs. M. B. Rexford, 335 N. Eighteenth St., Corvallis, Ore., says: "I was all run down and sick all over with malaria. My back nearly killed me at times, it pained me so. I could hardly get up or down, as I was so stiff and sore. My kidneys were congested and inflamed. The kidney secretions were unnatural and this trouble made me weak and nervous. I had no ambition to do anything. Three boxes of Doan's Kidney Pills practically cured me of backache and put my kidneys in good, working order."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Rexford had. Foster - Milburn Co., Props., Buffalo, N. Y.

Have You Used
Our FREE REST
ROOM Yet?

THOUGHT HE DIDN'T KNOW ABOUT IT.
JUDGE, YOU'D BE AMAZED, TO KNOW HOW SATISFYING THIS LITTLE CHEW IS.
GEE! THE JUDGE HAS USED W-B CUT TOBACCO SINCE IT FIRST CAME ON THE MARKET. IT'S THE LITTLE CHEW THAT SATISFIES!
WAT SO!
INTELLIGENT people have a way of sizing things up for themselves—W-B CUT is all shreds, all tobacco; and ordinary plug is leaf with a lot of heavy, gummy sweetening, holding it together. But everything doesn't go by quantity either; W-B CUT is a rich, sappy chew, because it's rich, sappy tobacco. It doesn't take so much W-B to satisfy. Take a small chew. Then notice how it lasts.
