THE SENATOR DECLARES HIMSELF.
LIKE W-B CUT TOBACCO, AND INTEND USING IT JUST AS LONG AS I WANT TO, REGARDLESS OF WHAT ANY ONE SAYS OR DOES.
I ADMIRE HIS SPIRIT OF INDEPENDENCE.
ACCORDING TO THE PRINCIPLES OF AMERICAN GOVERNMENT, HE HAS THE RIGHT.

WHAT makes tobacco good is the sap there is in the leaf to start with and the way it's cured—some tobacco is sappier than others. If you take a big chew of W-B CUT, you may find it too rich for you. Take a little chew—it's made of fine, sappy, leaf; there's a lot of tobacco satisfaction stored away in it. The touch of salt brings it out, without so much chewing; and a little chew lasts and satisfies.

Peter Zollner, who was arrested a few days ago for blowing up a theatre building owned by his brother Geo. Zollner, at Mt. Angel, and who later confessed, on Friday made a further confession that about two years ago he burned a bakery at Mt. Angel owned by his brother. The confession was made to Sheriff Needham. Zollner's story is that he set the bakery afire about one o'clock a. m. and then going to his home. "As soon as the fire got well started," said Zollner,

"I went back up town." The building was totally destroyed. Peter Zollner was suspected at the time.—Statesman.

Liberty Loan Facts Told in Nutshell

The following summary of facts regarding the liberty loan bonds now being placed to finance America's war operations has been given out by Archibald Kains, governor of the San Francisco Federal Reserve Bank:

Purpose—This loan is a bond issue authorized by Congress to pay cost of the war against Germany, to make all advances to the allies, and above all, to bring about a speedy and successful end of the world conflict.

Amount of loan—\$2,000,000,000.

Pacific Coast Share—\$166,000,000.

Size of Bonds—\$50, \$100, \$500, \$1,000 and upward.

Rate of interest—3 1/2 per cent per year.

Terms of bonds—The bonds run for 30 years. The Government reserves the right to buy them back at face value after 15 years.

Buy these bonds now because:

First—These bonds are the safest investment known.

Second—By so doing you serve your country.

Third—Democracy needs its dollars for defense, not tribute.

Fourth—These bonds are backed by the credit of the whole United States, the richest country in the world.

Fifth—Every \$1000 invested will bring you \$35 a year income.

Sixth—The Government guarantees to pay you more income if future loans carry higher interest rates.

Seventh—You can buy them on the installment plan.

Eighth—Your money will be spent wholly in America.

How to buy these bonds:

We are authorized to take subscriptions for the Government. You can subscribe now by paying us only two per cent of your purchase and the balance as follows:

18 per cent on June 23. 20 per cent on July 30.
30 per cent on August 15. 30 per cent on August 30.

This is an opportunity to combine a patriotic service with a good investment.
