### Birthday Club Meeting

Through an oversight the following was crowded out last week.

Last Monday the A. L. Thomas home was the scene of a merry gathering, when Mrs. Thomas entertained the Birthday Club. The house was appropriately decorated with dog wood in honor of the occasion. After some time spent doing fancy work the hostess asked all to lay aside their work and she introduced a novel guessing game which afforded much amusement. A handsome cup and saucer was awarded to the lady who guessed most correctly, Mrs. G. F. Korinek. After the game some time was spent in singing and playing and later the ladies were invited into the dining room where a most excellent luncheon was served at a prettily decorated table. Dainty place cards marked each place and the favors were baskets full of candy. All present enjoyed the afternoon immensely.
