

Bell With the Wail of a Child.
A queerly shaped gong which occupies a position of honor in the center of the city of Seoul, Korea, is said to be one of the largest in the world and is called "the bell with the wail of a child in its voice." When first cast the bell sounded with a harsh and cracked note, and the superstitious emperor, fearing an ill omen, consulted with his magicians. These gentlemen held a long confab and finally stated that the bell would never sound right until a live child was given to it. The mass was then melted again, and a live baby was thrown into the molten metal. The wail of agony uttered by the little tot as the bronze engulfed it seemed to be repeated every time the bell was tolled, and today the Koreans still claim that the wail of a child can be heard in the voice of the metal.

Uncalled For Courtesy.
The Vicomte Toussaint was formerly a colonel in the French army and mayor of Toulouse. He was a brave man and a dashing officer. During one of the hottest engagements of a terrible year of war, noticing that his troops were bending forward under a galling fire to escape the bullets of the enemy while he alone maintained an erect position, he exclaimed, "Since when I should like to know, has so much politeness been shown to the enemy?" The sarcasm took instantaneous effect, for the soldiers rushed forward and carried everything before them.

Selenium is Sensitive.
By substituting a selenium cell for the human eye at the telescope M. Lounie d'Alto believes it would be possible to detect stars five magnitudes fainter than any now observable, thus enormously increasing the powers of the greatest instruments. Theoretically a selenium cell of sixteen square inches would register the light of a twenty-eighth magnitude star, but this would require longer exposure—several days—this would be practicable.

Philip's Reminder.
Philip, father of Alexander, had a servant whose sole business it was to remind him that he was human. It was accordingly that he never went to the house and, having returned, he gave audience to any one without first this servant saying to him "Remember that you are a man!"

Right in Line.
"Have your millions enabled your children to marry well?"
"Father, my daughter married a street dancer and my son is engaged to a prominent chorus girl. We're looked for the best society now."—Pittsburgh Post.

No Enthusiasm.
"Your friend did not appear to be enthusiastic when I spoke of a coming wireless age."
"No wonder. He is a wire walker in a circus."—Baltimore American.

A Cumbersome Cure.
"Eat a gumball every time you want a drink," advises an exchange, but who the dickens wants to go tagging around with a water bucketful of gumballs on his arm?—Macon Telegraph.

BACKACHE IS A WARNING

Stayton People Should Not Neglect Their Kidneys.

Backache is often nature's most frequent signal of weakened kidneys. To relieve the pains and aches, to remove the lameness when it arises from weakened kidneys, you must reach the cause—the kidneys. If you have pain through the small of your back, bladder disorders, headaches, dizzy spells, or are nervous and depressed, start treating the kidneys with a tested kidney remedy.

Doan's Kidney Pills have been proved good and are especially for weak kidneys. Doan's have been used in kidney trouble for over 50 years. Here is convincing proof of merit. It comes from this locality.

Mrs. Thos. Koupal, 1344 Pearl St., Eugene, Ore., says: "I couldn't begin to say too much in praise of Doan's Kidney Pills, for I don't know of anything their equal. At times I have

been bothered by backache. I have been so bad that I could hardly get around to do my work. After taking Doan's Kidney Pills a few days, my back has felt as strong as ever and in every way I have been benefited."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Koupal uses. Foster - Milburn Co., Props., Buffalo, N. Y.

Methodist Church

Sunday morning the pastor will preach on "Saturday vs. the Christian Sabbath" and in the evening Judge P. H. D'Arcy who is president of the state pioneers association, will deliver an address on "The Oregon Pioneer." The address will have a patriotic strain running through it and the well known Salem man will give Stayton people a fine idea of the men who have made Oregon and fascinating glimpses of the situation in the early days as seen by himself. Judge D'Arcy is one of the best orators in the state and this number in the series of Community-Citizenship addresses being given at this church will be one of the finest of the set. Every Oregonian should hear it as it will be one to rank well with any chautauqua lecture on the circuit.

There is more Cataract in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Cataract to be a constitutional disease, and therefore requires constitutional treatment. HALL'S CATARACT CURE, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.
