Reports from different parts of the state indicate growing scarcity of common labor. Ranchers are paying about double what they have had to pay in the past and are hoping for a labor supply from somewhere before the fall harvest comes on. Immigration statistics from all countries for 1913-14 show an average of over 100,000 a month coming to the U. S. This has gone down until we are getting about 15,000 a month from all sources in 1917. Mexicans have been leaving in such large numbers that the Labor Commissioner has suspended the literacy test to allow Mexicans to come in and help harvest the crops in the border states.

SUMMONS

IN THE CIRCUIT COURT OF THE STATE OF OREGON, FOR THE COUNTY OF MARION.

Department No. 2

H. E. Olmstead, Plaintiff,

vs.

Lester H. Barber and Myra Barber, his wife, Capitol Street Garage, a corporation, Henry Reeds and Mrs. Henry Reeds, his wife, Defendants.

To Henry Reeds and Mrs. Henry Reeds, two of the defendants above named:

In the name of the State of Oregon: You are hereby required to appear and answer the complaint filed against you in the above entitled Court and cause on or before six weeks from the date of the first publication of this summons, and if you fail to so answer, for want hereof, the plaintiff will apply to the Court for the relief prayed for in his complaint, to-wit: That a certain mortgage executed by the above named defendants, Lester H. Barber and Myra Barber, which mortgage is recorded in Volume 88, at page 21, of the Record of Mortgages in and for Marion County, Oregon and which mortgage is against Lot 4 in block 14 of Depot Addition to

Salem, Oregon, to be foreclosed and that plaintiff have judgment against said defendants Lester H. Barber and Myra Barber for the sum of \$424.00 with interest thereon from May 1, 1917, at the rate of six per cent. per annum, and for the further sum of \$65.00 attorney's fees, and for plaintiff's costs and disbursements incurred herein. That the usual decree be made in said suit for the sale of said premises by the Sheriff of Marion County, Oregon, according to law and the practice of this Court, and that the proceeds of said sale may be applied in payment of the amount due plaintiff and that the above named defendants and all persons claiming under them, or either of them, subsequent to the execution of said mortgage upon said premises, either as purchasers, incumbrancers, or otherwise may be barred and foreclosed of all right, claim, or equity of redemption, in or to said premises and every part thereof.

This summons is served upon you by publication in the Stayton Mail by order of Hon. Percy R. Kelly, one of the judges of the above entitled court, dated May 22, 1917. The first publication of this summons is May, 24, 1917, and the last publication will be July 5, 1917. JAS. G. HELTZEL, Salem, Oregon. Attorney for Plaintiff.

THE GOOD JUDGE TELLS WHICH IS BETTER, AND WHY IT IS.

JUDGE, HE PAID 10 CENTS FOR HIS TOBACCO. I PAID 10 CENTS FOR MINE. WHICH DO YOU IMAGINE IS BETTER?

YOURS, OF COURSE! W-B CUT TOBACCO COMES IN SMALL PACKAGES, WHILE CHEAP ORDINARY TOBACCO COMES IN BIG BAGS.

A good many people are looking into what makes men change over to W-B CUT and stick to it so. Tobacco is tobacco, but all chewing, isn't all tobacco. You don't have gummy excess sweetening to chew out of W-B CUT, before you get down to satisfaction. The shreds are tobacco, through and through—and the richest, sappiest tobacco that grows. You notice the difference at once—W-B CUT goes twice as far as ordinary plug.
