Return From Motor Trip To Victoria, B. C.

C. A. Beauchamp and wife, E. Roy and wife, Forrest Mack and son and Misses Malana Sestak and Ruth Roy returned Friday evening from a most delightful motor trip to Victoria, B. C. and other points of interest enroute. Among the places of interest that they visited in Canada were the famous coal mining town of Nanimo and Vancouver.

While in Victoria, B. C. they visited Dr. and Mrs. G. C. Watson. The doctor is a member of the Dental Corps of the British Army and is simply stationed in Victoria until such time as they order him to the front. He is well satisfied with his work and of course is able to see his wife occasionally, as she lives near his quarters.

The return trip was made via American Lake, Wash., where the government is spending \$8,000,000 in erecting a concentration camp for the concentration of the soldiers of the northwest. The party reports a most delightful trip, covering in all 1111 miles.

THIS war is awakening men to the truth about a lot of things besides Preparedness—and chewing tobacco is one of them. Soldiers are strong for W-B Cut and the facts are right before you. These shreds are all tobacco, no gummy sweetening—rich tobacco—more sap in the leaf than in ordinary tobacco by a long shot. That's why it's so satisfying and so economical—a little bit goes a long way.
