FARM AND CITY LOANS
If you are paying a high rate of in-
terest, why not refund your loan at
a lower rate and more liberal terms.
It is not good business to pay a
higher rate of interest than the
market demands, nor is it good busi-
ness to keep your surplus funds on
time deposits at 3 to 4 per cent. per an-
num when 6 per cent can readily be
secured on first Farm Mortgages. If
you have money to loan or wish to
refund or secure a new one, call or
write S. H. HELTZEL, Stayton,
