The saving of a single slice of wheat bread per member of the families of the United States at each meal means a loaf of bread for every soldier in the trenches, and a contribution toward the elimination of the hunger-suff-

ings of the defenseless women and children of our allies.

Our Uncle Sam—that means US, you and me—has made a solemn promise. He promised France and our other allies that if they would fight we would furnish them with food and supplies.

They have fought and are fighting—our fight as well as theirs. We must make good our part of part of the bargain. Sign a home pledge card, enlist in Hoover's "Service by Substitution" Army of 100,000,000 patriots and back up our soldier boys in the trenches by saving food through substitution and elimination of waste.

Maxwell Sets A New Record

W. J. La Casse, Pacific Coast Supervisor for the Maxwell Motor Company, just completed a record breaking trip from Oakland, Cal., to Yosemite Valley with a new 1918 Maxwell touring car carrying four passengers in the fast time of 5 hours and 15 minutes, or an average of 35 miles per hour for the entire distance of 189 miles.

This run was checked by Western Union Naval Observatory Time and is considered remarkable by those who have made the trip and know how difficult it is to maintain this speed over this route.

Mr. La Casse also holds the record for the fastest time between Portland, Oregon and Mount Hood, as well as the record between Portland and Seaside, Oregon, both of which were made in a Maxwell touring car. Bill La Casse has also won fame by his performance in the Desert Classic between Los Angeles and Phoenix in former years.

"The Maxwell is the only car I would put my money on in a gruelling run of this nature," said Bill, after completing his drive to Yosemite. "This run was made merely to test out the endurance and quality of our new 1918 model and the results are more than satisfactory." Bill claims the new car is a marvel of speed and endurance and is willing to back it against all comers.

Ruth Roland, who is starred in Pathe's latest serial, "The Neglected Wife," showing at the Star Theatre Wednesday, is known as "The Hetty Green of the movies." Miss Roland, in addition to her studio activities, has an interest in an automobile business in her home in Los Angeles. She is also proprietor of a candy shop which she bought to save the proprietor and his family from dispossession. She is personally supervising the business and plans to turn it back to the family as soon as it is on a paying basis.

CONFIRMED TESTIMONY

The Kind Stayton Readers Cannot Doubt. Doan's Kidney Pills have stood the test. The test of time—the hardest test of all. Thousands gratefully testify. To quick relief—to lasting results. Stayton readers can no longer doubt the evidence. It's convincing testimony—twice-told and well confirmed. Stayton readers should profit by these experiences. T. F. Clance, carpenter, 1025 E. Second St., Albany, Ore., says: "A couple of years ago I strained my back at work and soon I noticed signs of kidney weakness. In a short time after using Doan's Kidney Pills, my back became strong and all kidney disorders left me." The above statement was given December 15, 1912 and on March 31, 1916, Mr. Clance added: "It has been several years since I have needed a kidney medicine. I still hold a high opinion of Doan's Kidney Pills and recommend them at every opportunity." Price 60¢. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Clance has twice publicly recommended. Foster-Milburn Co., Prop's., Buffalo, N. Y.

Every ounce of waste is a contribution toward starvation. Enlist in Hoover's "Service by Substitution" Army of 100,000,000 patriots to win the war for democracy.
