Dance Is Great Success

The Benefit Dance given by the Stayton ladies was a decided success, and all who attended enjoyed themselves immensely. The Trotter building had been tastily decorated for the occasion with flags, greens and bunting and about the room were booths, where the dancers could refresh themselves with cake, punch, sandwiches, coffee, etc.

Stayton people all donated generously and in consequence the expenses were light, the biggest expense being the music which was \$18.00. The ladies cleared \$119.40 which they deposited in the bank and which will be used to buy yarn. Other expenses were \$4.65.

Manager F. X. Hoereth of the Star Theatre announces that he will present on Sunday William Courtenay in Pathe's five-reel

photoplay "The Recoil", which is said to be comparable to "Kick In" and "The Hunting of the Hawk", in which Mr. Courtenay has recently been seen.

There is a splendid cast in this picture, including Lillian Greuze, star of New York's French Theatre, who made her debut with Sarah Bernhardt and is a protegee of the great actress.

"The Recoil" is a typically modern play. It tells the story of a girl who marries the man she loves despite the fact that she knows little about who he is, or whence he comes. He disappears and thinking him dead, she marries a wealthy man to retrieve the family fortune. How she is saved from this brute, how he is killed and her brother arrested for the murder on circumstantial evidence, and how the United States Secret Service plays an important part is thrillingly told. The action is rapid and the production dramatic.

Big Fire

Last Tuesday morning the barn belonging to Titus Archer was burned to the ground. Mr. Archer had only recently purchased a bunch of registered Holstein cattle but he was fortunate in that all of the live stock was gotten out of the barn before they were burned. The cause of the fire was the explosion of a lantern. The barn and contents were partly covered by insurance.
