John Thoma made a business trip to Portland Tuesday.

J. P. Williams has been on the list of sick the past few days.

T. J. Ware and John Sandner, Jr., are driving new Fords, purchased from Peter Deidrich.

Mrs. Robt. Veal, of Albany, visited at the home of Mrs. F. F. Foster a few hours Monday.

Geo. Tate left the first of the week on business connected with enlistment under Uncle Sam, but is home again, having failed to pass the physical examination.

J. R. Barnes and sister, Miss Nellie Barnes, of Salem, were in Stayton Tuesday. Their father, J. J. Barnes, has gone to San Diego, Calif., to spend the winter.

The entire school board at Scio, including the clerk, has resigned. It seems that the indebtedness and the amount necessary to run the school could not be handled with the 9 mills allowed by the people of the district, hence the resignations.

Only two months ago Ona Shelton and family removed from Scio to Arizona, hoping that the change would benefit Mrs. Shelton's health. The change did not accomplish the hoped for purpose, as a telegram announcing her death was received Wednesday morning, just as Mr. Shelton started on the sad journey home. Mr. McKnight expects the arrival of the body Saturday morning. Mrs. Shelton was a daughter of Mr. and Mrs. W. R. Ray, of Jordan, and a sister-in-law of Mr. McKnight.

Two children and the husband survive the deceased.—Scio Tribune.

Mrs. Amelia Dimer, sister of Mrs. J. C. Mayo, died Saturday morning at the Good Samaritan hospital in Portland. The funeral service was held Monday Lyons and interment was made in the Fox Valley cemetery. Her residence was near Seattle. Mrs. Dimer was born in Fox Valley fifty-seven years ago. She was a daughter of John P. Berry, an Oregon pioneer of '52. Mrs. Dimer was married twice, her first husband being Capt. H. Hatch, who was captain of the steamer Albany plying between Portland and Albany over twenty years ago, and who later went to Alaska where he died.

Show House Changes Hands

F. X. Hoereth sold the show house to Geo. F. Warford last Saturday and before leaving stated he wished to thank the public for their generous patronage both at the show house and in the electrical business. He also bespeaks for Mr. Warford the same cordial treatment.

Mr. Warford will continue the present bookings which run till February thus assuring his patrons the same high class entertainment they have been enjoying.

Preaching services at Kingstons next Sunday.

"FOR THE DEFENSE"

Mr. and Mrs. J. W. Mayo are the parents of a new girl, born Saturday morning. Dr. Beauchamp was in attendance.

WHAT'S THE REASON

Many Stayton People in Poor Health Without Knowing the Cause.

There are scores of people who drag out a miserable existence without realizing the cause of their suffering. Day after day they are racked with headache, and backache; suffer from nervousness, dizziness, weakness, languor and depression. Perhaps the kidneys have fallen behind in their work of filtering the blood that may be the root of the trouble. Look to your kidneys—assist them in their work—give them the help they need. You can use no more highly recommended remedy than Doan's Kidney Pills.

Below is grateful testimony from a sufferer in this locality.

Mrs. M. M. Moench, 330 S. Main St., Albany, Ore., says: "I am only too glad to tell any who are in need of a good, reliable medicine for backache and kidney disorders about Doan's Kidney Pills. Whenever I have taken them for that trouble, I have used Doan's Kidney Pills whenever necessary for the past ten years and I have found them to do all that is claimed for them."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Moench uses. Foster-Milburn Co., Props., Buffalo, N. Y.

A queerly shaped gong which occupies a position of honor in the center of the city of Seoul, Korea, is said to be one of the largest in the world and is called "the bell with the wall of a child in its voice." When first cast the bell sounded with a harsh and cracked note, and the superstitious emperor, fearing an ill omen, consulted with his magicians. These gentlemen held a long confab and finally stated that the bell would never sound right until a live child was given to it. The mass was then melted again, and a live baby was thrown into the molten metal. The wall of agony uttered by the little tot as the bronze engulfed it seemed to be repeated every time the bell was tolled, and today the Koreans still claim that the wall of a child can be heard in the voice of the metal.

Uncalled For Courtesy.
The Vicomte Toussaint was formerly a colonel in the French army and mayor of Toulouse. He was a brave man and a dashing officer. During one of the hottest engagements of a terrible year of war, noticing that his troops were bending forward under a galling fire to escape the bullets of the enemy while he alone maintained an erect position, he exclaimed, "Since when, I should like to know, has so much politeness been shown to the enemy?" The sarcasm took instantaneous effect, for the soldiers rushed forward and carried everything before them.

Selenium is Sensitive.
By substituting a selenium cell for the human eye at the telescope M. Fournie d'Albe believes it would be possible to detect stars five magnitudes fainter than any now observable, thus enormously increasing the powers of the greatest instruments. Theoretically a selenium cell of sixteen square inches would register the light of a twenty-eighth magnitude star, but this would require longer exposure—several days—than would be practicable.

Philip's Reminder.
Philip, father of Alexander, had a servant whose sole business it was to remind him that he was human. It is said accordingly that he never went from the house and, having returned, never gave audience to any one without first this servant saying to him three times in a loud voice, "Philip, thou art but a man!"

Right in Line.
"Have your millions enabled your children to marry well?"
"Rather. My daughter married a cabaret dancer and my son is engaged to a prominent chorus girl. We're banded for the best society now."—Pittsburgh Post.

No Enthusiasm.
"Your friend did not appear to be enthusiastic when I spoke of a coming wireless age."
"No wonder. He is a wire walker in a circus."—Baltimore American.

A Cumbersome Cure.
"Eat a gundrop every time you want a drink," advises an exchange, but who the dickens wants to go tagging around with a water bucketful of gundrops on his arm?—Macon Telegraph.
