

# IN HUMANITY'S NAME

The appeal to America for which we are engaged and now we have people of America and Syria as without exception, the most interesting and urgent of any that has come to us since the war began.

We have been eager to do our part in giving for the welfare of our sons and brothers in the army, knowing that our best but a beggarly sacrifice by comparison to theirs.

The appeal from Belgium is heartrending as we know because we have learned about it from their soldiers.

## The Tragic Situation in Western Asia Calls for the Immediate Response of the Samaritan Spirit of the World

The situation in Western Asia is a tragedy of the first order. It is a tragedy that has no parallel in the history of the world. The people of the region are being crushed and their lives are being sacrificed to the interests of a few nations. The Samaritan spirit of the world must be aroused to meet this crisis.

## INCIDENTS OF HUMAN SUFFERING THAT STIR THE SOUL

The incidents of human suffering that stir the soul are many and varied. They are the stories of the oppressed, the stories of the persecuted, the stories of the innocent victims of war and violence. These incidents are the heart of the Samaritan spirit of the world.
