FORD

THE UNIVERSAL CAR

When you compare the low prices of Ford cars with the prices of farm produce, farm stock and everything else on the market, the great value of the Ford car can be fairly estimated. The price of the Ford Touring Car is only \$360 f. o. b. Detroit—the same as last year. It is the greatest value, not only among motor cars, but in the whole run of articles grown and manufactured. Think of a five-passenger motor car with the reputation for service, durability and economy that's behind the Ford car, selling for \$360! We urge prospective purchasers to give their orders without delay. Also have the Ford one ton Truck \$600 f. o. b. Detroit. Cars in need of repair should be brought to the Ford Garage where the high grade Ford parts, latest and best equipment and first class mechanics are to be found. Cars demonstrated free. Interested parties phone 1283.

OREGON INDUSTRIAL REVIEW

Readers of this Paper Should send it to Friends in Other States with this Column Marked, Showing how Rapidly the State is Developing, as the best way to Advertise our Resources.

Jan. 21.—Klamath Falls looks forward to unusually prosperous year in 1918.

Marshfield—If specifications for white cedar aeroplane lumber were at hand, Coos county could furnish a great impetus to war program by furnishing Port Orford cedar.

Silver Lake—20 miles of Strahorn railway completed.

Marshfield—C. A. Smith Co. is considering plans for converting its idle pulp mill buildings at the Coos Bay mills into apartments or a boarding house for additional employes who will be required if double shifting all plants becomes an actuality to get out spruce orders.

Roseburg—New concrete building for garage soon to be built here.

Secretary Dodson of the Portland Chamber of Commerce has been doing invaluable work for the state in connection with increasing shipbuilding lumber and airplane material industry here. Every encouragement should be given these industries.

Divide—Pilot Lumber Co. is repairing the old O. L. T. mill and will begin operations soon.

St. Helens—Citizens, city and county raise fund of \$9000 to build road from here to Columbia City shipyards where 500 men are employed a majority of whom live at St. Helens.

The Dalles—Ranch on Fifteen Mile creek sold for \$28,640.

Roseburg—Contract let for Pacific Highway bridge across Umpqua.

Union county has \$50,000 Post road money to spend in county. Enterprise—Telephone Co. installing new equipment which will give modern service when completed.

The Oregon Public Service Commission did the fair thing in granting Portland Ry. Lt. & P. Co. 6 cent fares as its decision will be followed in many similar cases. Utility rates cannot remain stationary with everything else on the raise.

Brownsville—Cannery ships 13 carloads canned goods in 1917, cars ranging from 60,000 to 90,000 pounds.

Milton—Box factory here nearing completion.

Marshfield—Sunrise Condensery to build addition and increase output 75 per cent.

Takilma—Machinery for Golconda chrome property ordered, operations to begin immediately. Ore under contract to Atlantic Ore & Alloy Co. for the United States government.

In making its bitter fight on war profiteers, as it calls all big business, the Non-Partisan League puts the farmers in bad for no class has profited so much by the war.

Bandon—City to do street work immediately.

Heppner—Many new improvements here in 1918.

Eugene—U of O base hospital unit taken over into army of U. S. \$60,000 equipment assembled.

North Bend may buy an electric pump.

Wendling—150 men employed in rebuilding Booth-Kelly planing mill here which was destroyed by fire several months ago.

Portland—Between 16,000 and 17,000 men are employed in shipyards of Oregon at the present time.

Reedsport—800,000 pounds of fresh salmon and 7300 cases canned, shipped from here by one company past season. Three companies operating.

Some of the people who find the most fault about lack of freight cars to move freight, are the same who never would let the railroads make enough money to buy any—Red Bluff California Republican.

Most every town along the coast in Washington and Oregon wants the government to build a branch railroad to haul spruce from each individual section.

Columbia City—Contracts for 8 ships for government let to local shipyards.

Columbia City New logging camp to open several miles west of here. Will have pay roll of \$2,500 per month.

St. Helens—9 houses costing from \$1200 to \$1500 each, will be built here in spring.

It is now announced that to conserve coal, universal electrification of Great Britain is proposed for railroads, factories and domestic purposes. For 10 years radical conservationists have held up waterpower development in this country and are even delaying such measures at this critical time.

St. Helens Shipbuilding Co. plans to erect hotel on Sauvies Island, adjoining plant.

St. Helens—\$4000 contract let for new theatre building.

Oregon City—Construction of new 2-story brick structure started here.

"Reduction of taxation" should be the demand in every branch of city, county and state government.
