If you are paying a high rate of in-

a lower rate and more liberal terms.  
It is not good business to pay a  
higher rate of interest than the  
market demands, nor is it good busi-  
ness to keep your surplus funds on  
time deposits at 3 to 4 per cent. per an-  
num when 6 per cent can readily be  
secured on first Farm Mortgages. If  
you have money to loan or wish to  
refund or secure a new one, call or
