FARM AND CITY LOANS
If you are paying a high rate of interest, why not refund your loan at a lower rate and more liberal terms. It is not good business to pay a higher rate of interest than the market demands, nor is it good business to keep your surplus funds on time deposits at 3 to 4 per cent. per annum when 6 per cent can readily be secured on first Farm Mortgages. If you have money to loan or wish to refund or secure a new one, call or write S. H. HELTZEL, Stayton, Oregon.
