FARM AND CITY LOANS
If you are paying a high rate of in-
terest, why not refund your loan at
a lower rate and more liberal terms.
It is not good business to pay a
higher rate of interest than the
market demands, nor is it good busi-
ness to keep your surplus funds on
time deposits at 3 to 4 per cent. per an-
num when 6 per cent can readily be
secured on first Farm Mortgages. If
you have money to loan or wish to
refund or secure a new one, call or
write S. H. HELTZEL, Stayton,

**The Sheep
Shearing Industry**

There is no law regulatiug the
time for sheep shearing and cli-
matic conditions of the western
wool growing states make it diffi-
cult.

E. S. Bartlett, president of the
Sheep Shearers union, in the An-
merican Sheep Breeder for January
asks co-operation of flock mast-
ers.

He asks that they have their
corrals in order, their plants over-
hauled, and dry sheds wherever
possible to help in bad weather.

Shearing starts in Arizona, New
Mexico, California and Nevada
and then works north. Mr.
Bartlett cautions against start-
ing too soon.

Shearing in bad weather when
ice forms causes suffering and
cruelty and should be discour-
aged and laws against cruelty
rigidly enforced.

The courts have held that turn-
ing sheep out into storms and
freezing weather is violation of
law and imposed heavy fines.
