Honor Guard Girls Score Big Success

Friday night last was a gala occasion for the girls of the Honor Guard of Stayton. Elaborate preparations had been made for a big event, and the results more than justified their expectations. The hall was beautifully decorated and special arrangements made for the pleasure and comfort of the guests, who filled the hall to capacity. Excellent refreshments were served, the music was good and the dancing much enjoyed even though the floor was crowded.

The prize giving feature was popular and numerous prizes were disposed of. The turkey was won by Ed Tate, the hen by Max Hill and many others secured boxes of candy.

The receipts were nearly \$160, which will net the girls a nice sum. They have secured the Elder house, next to Dr. Pinter's, which they will fit up and use in their work of assisting to win the war.

The Jaguar's Claws

Hayakawa has been seen as a Japanese, a Chinese, Hawaiian, East Indian and American Indian and now for the first time is to be seen as a Mexican—a cruel, merciless bandit, who with his band of followers, whom he rules by fear, terrorizes a certain portion of northern Mexico.

As the bandit he captures two American girls and the young American oil field manager who is the bridegroom of one of the girls and the brother of the other one, Having the three in his power, El Jaguar gives the man the right to take one of the girls into safety, but the other must remain with him. The young American is at a loss what to do; whether to leave his young sister to the mercy of the bandit, or his bride of a few days.

How the problem is solved is brought about in a most startling and unusual manner and is portrayed at the Star theatre Saturday evening.

Prominent Speakers At Sublimity

County Supt. W. M. Smith and Walter L. Tooze of Salem addressed a large crowd at the C. F. Hall, Sublimity, last Monday evening at the regular meeting of the St. Boniface War-Savings Society.

Supt. Smith dwelt upon the importance of saving during these strenuous times of war, illustrating many different ways that War-Savings could be accomplished, holding the interest of the young folks as well as old with his jolly sayings and incidents of his life as school superintendent.

Walter L. Tooze was then called upon to deliver an address.

He fully impressed on the minds of the listeners the reason we are at war and showed in his own emphatic way of speaking the barbarous deeds that the Germans are inflicting on the allies. His remarks were greatly applauded by all.

Rev. Father abbot of Mt. Angel was then called upon and delivered an excellent address relating to the moral effect that is created by these War-Savings Societies and also the great duty American citizens are obliged to perform to aid their country.

The St. Boniface War-Savings Society has been showing a continuous growth since its organization. It has upwards of ninety members and about four hundred dollars worth of War-Savings Stamps are now in the possession of the members.

Attention Farmers

The Stayton Flouring Mills have received word from the administration to notify all farmers tributary to this station who may have small lots of wheat on hand urging them to bring it in immediately, or take to their nearest station.

A Correction.

The article appearing in last week's Stayton Mail stating I had received a letter of thanks from Mr. Rieger for the knitted suit sent him by the Patriotic League, was a mistake. The League has not given out any suits yet. It was however a letter of thanks for the knitted suit sent him by the ladies of Stayton, of which Miss Nora Crabtree, Mrs. Missler and myself were the packing committee.

Notice

Leave your orders for castrating your colts with W. F. Follis. Dr. L. W. Horn Veterinary Surgeon of Albany will be in town about May first.

Russellites Visit Stayton

A large number of Stayton people on arising found on their porches or door steps this morning literature of the Russellite sect, which had been placed during the night. The stuff is intended as a defense of a book by Pastor Russell, "The Finished Mystery," which has been suppressed by the government. Inasmuch as two men in Portland have paid \$200 fine each and are serving 15 days in jail for circulating this literature, it would seem that the local distributors of this dope are taking some chances.
