## Open Letter From Sam H. Brown

To the citizens of Marion County:  
I have been taken to task by my friends for not making an active campaign in behalf of my candidacy for the office of State Senator, it has also been hinted that I am indifferent as to the outcome, I have finally decided to make known the real reason in this open letter.

If I had made an active campaign over the County I would be compelled to put an extra man in my place on the farm, and as there is such a shortage of labor I feel it my duty to get along with the least force possible; you being busy with your own affairs, and the present state of our country, I hardly think it right to take up your time in order to further my own political ambitions.

The Legislature of this State will go on whether I am a mem-

ber of it or not, but your country will not go on unless we lay aside our own ambitions, and exert ourselves to the utmost to back up the boys that are going across to fight.

My record as a member of the Lower House during the last two sessions is known to you, and it is for you to say whether I should serve you in the senate, and I am willing to abide by your decision.

Respectfully submitted  
Sam H. Brown

There is no good reason why D. H. Looney should not be elected representative by a good majority. He is native of Marion county and is well acquainted throughout all parts of Oregon, knowing the needs thereof. He is a heavy taxpayer and a successful breeder of thoroughbred cattle, through which he has caused many thousands of dollars to be distributed hereabouts. A man who makes a success of his own business can be trusted to manage the interests of others. Such a man is D. H. Looney.

Where are you going tonight? Why, to the Recital given by the students of Mrs. Pearcey's Public Speaking and Music Classes. It's going to be great, a two act comedy, "Oley from Olsonville" showing fine talent, a clever vaudeville stunt, select readings and classical musical numbers. Two hours of high class fun and excitement.

There will be a Red Cross picnic and dance at Mehama Saturday May 11. The Chemawa Indian School Band will be present and furnish some of the music for the occasion. A cordial invitation is extended to everybody to come.

How much for all this educational entertainment? Only 15c a d 25c. Don't miss it, for it will be well worth that. Remember May 10, 8 p. m. Get your money's worth and help pay for the Gym.

Say! did you ever see a Kitchen Shower of tin ware? If you didn't you'll see it in Kolb & Dill next Wednesday at Star theatre.

## BACKACHE IS DISCOURAGING

But Not So Bad If You Know How to Reach the Cause.

Nothing more discouraging than a constant backache. Lame when you awaken, pains pierce you when you bend or lift. It's hard to work or to rest. Backache often indicates bad kidneys and calls for prompt treatment. The best recommended remedy is Doan's Kidney Pills. Profit by this nearby resident's experience:  
Mrs. M. E. Bilyou, 306 E. Fourth St. Albany, Ore., says: "I never knew what it was to be without backache from the time I was a little girl up to two years ago. The older I got, the more I was bothered with my back and kidneys. My back nearly killed me at times, it ached so badly. When I got down to pick up anything or sat in one position very long it was all I could do to straighten up. I suffered a great deal from inflammation of the bladder. I used three boxes of Doan's Kidney Pills and they cured me of that awful backache and put my kidneys in good working order."  
Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Bilyou uses. Foster-Milburn Co., Props., Buffalo, N. Y.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the Blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Medicine fails to cure. Send for circulars and testimonials.

An eight reel war picture will be shown at the Star theatre on May 22 and 23. This is not a serial but an eight reel war film taken at the front. Two operators were killed while taking this picture. It is put out by the Mutual Film Corporation who use Red Cross advertising. But in order to do this they contribute 25 per cent of their receipts to the Red Cross Benefit. Remember the date Wednesday and Thursday May 22 and 23.

## When He Gets that Pouch of Real GRAVELY Chewing Plug You Sent Him

A man's first impulse is to share a good thing. Real Gravelly Plug has been spread all over America simply by the Gravelly user offering a small chew to his friends. Tobacco like that is worth sending. It means something when it gets there.

Give any man a chew of Real Gravelly Plug, and he will tell you that's the kind to send. Send the best! Ordinary plug is false economy. It costs less per week to chew Real Gravelly, because a small chew of it lasts a long while.

If you smoke a pipe, slice Gravelly with your knife and add a little to your smoking tobacco. It will give flavor—improve your smoke.

## GEHLEN'S STORE

On Saturday evening the Merry Makers Club gave a farewell party for Dr. and Mrs. G. F. Korinek, who will make their home in Portland. The affair was at the home of Dr. and Mrs. H. A. Beauchamp, which had been tastefully decorated for the occasion with bright bunches of Scotch broom. Cards and music were enjoyed, as also the brick ice cream, lady fingers and punch which was served at a late hour. The ladies of the club presented Mrs. Korinek with one of the late books, as a remembrance of the good times the club members have had together. Beside the

host and hostess and the honor guests, those present were J. M. Ringo and wife, S. A. Starr and wife, J. W. Mayo and wife, G. R. Munkers and wife, Mrs. Ethel Lau and Dr. A. W. Korinek.  
A. D. Murphy who is employed at the Brown-Petzel logging camp was painfully injured last Friday afternoon. While superintending the piling of logs on the log deck the deck crumbled and he was caught between two of the logs crushing his foot and one of the hooks on the jacobstaff caught him in the shoulder tearing an ugly gash

## A Business Should be as Big as Its Job

If bigness is of benefit to the public it should be commended.

The size of a business depends upon the needs which that business is called upon to serve. A business should be as big as its job. You do not drive tacks with a pile-driver—or piles with a tack-hammer.

Swift & Company's growth has been the natural and inevitable result of national and international needs.

Large-scale production and distribution are necessary to convert the live stock of the West into meat and by-products, and to distribute them over long distances to the consuming centers of the East and abroad.

Only an organization like that of Swift & Company, with its many packing plants, hundreds of distributing houses, and thousands of refrigerator cars, would have been able to handle the varying seasonal supplies of live stock and meet the present war emergency by supplying, without interruption:

**First**—The U. S. soldiers and the Allies in Europe by shipping as much as 800 carloads of meat products in a single week!

**Second**—The cantonments in the United States.

**Third**—The retailers upon whom the American public depends for its daily supply of meat.

But many people ask—Do producers and consumers pay too much for the complex service rendered?

Everyone, we believe, concedes the efficiency of the Swift & Company organization—in performing a big job in a big way at a minimum of expense.

Swift & Company's total profit in 1917 was less than 4 cents on each dollar of sales of meat and by-products. Elimination of this profit would have had practically no effect on live stock and meat prices.

Do you believe that this service can be rendered for less by any other conceivable method of organization or operation?

These questions and others are answered fully and frankly in the Swift & Company 1918 Year Book sent free on request.
