It only Takes a Minute to send him a pouch of Real GRAVELLY Chewing Plug

Just drop into any wide awake dealer around here, give him 10 cents for the pouch of Real Gravelly, complete in the special envelope ready for mailing.

Address it according to the official directions he will give you. Put on a 3 cent stamp—and Uncle Sam's Mails will see that he gets it.

Real Gravelly is the tobacco to send. Not ordinary plug loaded up with sweetening, but condensed quality. It's worth sending a long way, and when he receives it he's got something.

Give any man a chew of Real Gravelly Plug, and he will tell you that's the kind to send. Send the best!

Ordinary plug is false economy. It costs less per week to chew Real Gravelly, because a small chew of it lasts a long while.

SEND YOUR FRIEND IN THE U. S. SERVICE A POUCH OF GRAVELLY

Even "over there" a 3c. stamp will put it into his hands.

We Set Tire Standards

Why is it that United States Tires are setting new records for mileage and serviceability?

Why is it that the sales of these tires are constantly mounting by leaps and bounds?

The answer is found in the factories where United States Tires are made.

Standards of construction for these tires are higher than ever before known in the tire industry.

Makers of tire fabrics tell us that the standards we have given them for United States Tire fabrics are higher than any previously known.

Likewise through every process of construction from crude rubber to finished tires—we have set new and higher standards everywhere.

These standards work out on your car in the practical economy demanded by war-times.

United States Tires will raise any car to higher efficiency.

There is a type to suit every condition of service.

The nearest United States Sales and Service Depot dealer will cheerfully aid in selecting right tires for your requirements.
