If you are paying a high rate of interest, why not refund your loan at a lower rate and more liberal terms. It is not good business to pay a higher rate of interest than the market demands, nor is it good business to keep your surplus funds on time deposits at 3 and 4 per cent per annum when 6 per cent can readily be secured on first Farm Mortgage. A BIT OF ADVICE

First--Don't Delay. Second--Don't Experiment

If you suffer from backache; headaches or dizzy spells; if you rest poorly and are languid in the morning; if the kidney secretions are irregular and unnatural in appearance, do not delay. In such cases the kidneys often need help.

Doan's Kidney Pills are especially prepared for kidney trouble—they are recommended by thousands. Can residents desire more convincing proof than the statement of a citizen of this locality?

H. C. Mangas, retired druggist, 412 S. Fifteenth St., Corvallis, Ore., says: "I have taken Doan's Kidney Pills at different times when I have felt in need of a kidney medicine and have found them to be all that is claimed of them. In recommending Doan's Kidney Pills, I am only speaking from personal experience, but from what I know of others who have received great results from them."

Mr. H. C. Mangas had, Foster-Milburn Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Co., Mfgs., Buffalo, N. Y.

What's a Battery Expert?

Expert: "One who has special skill, experience or knowledge."

Every Willard expert must have all three when it comes to handling batteries.

Our experience immediately tells us where your battery troubles lie; our knowledge tells you what needs to be done; and our skill insures a workmanlike job.

We're at your service.

We want to tell you about Threaded Rubber, too, and give you a copy of the booklet, "A Mark with a Meaning for You."

Owing to the main driving gear breaking and having to send same to Portland for repairs, the woolen mills are idle for about a week, this is unfortunate at this time as the mills were very busy on Government rush orders for Camp Lewis and other points but the management expects to have the plant in operation again in a short time.

CALICO BALL

The last big calico ball, before the fair, will be held at Doerfler's farm on September 7th. Here is where we have the biggest and best dances in the state, managed by the McAlpine Knitting Club. Dance tickets for the men are 75c, ladies 10c. Music will be furnished by John Small Orchestra. Come and have a good time.

Here is a curious point of logic presented in the Sydney (N. S. W.) Bulletin. The musicians' union of Sydney charges the Melbourne eight hours' procession with something like scabbing because it decided that unionists, even if they don't belong to the musicians' organization, may play in its own ranks on the annual gala day.

There are arguments on both sides. It seems hard that a union bricklayer shouldn't be allowed to blow his own cornet in his own demonstration on a holiday, yet if he found a professional cornet-player laying bricks on a Good Friday he might object. Of course the man in the procession isn't playing for hire, but then it wouldn't improve things much if the cornet-player laid bricks gratis.

The bricklayer might argue that there are a certain number of bricks that must be laid, so the cornet-player would be doing another man out of a job, while there isn't any fixed amount of music that must be blown, so an amateur might blow a sample or two without depriving any other man of a crust. And the bricklayer probably says that the cornet-player couldn't lay bricks decently if he tried, to which the cornet-player possibly replies that the bricklayer can't make music.

To some extent it is a struggle between art and materialism. Music properly played is capable of arousing the highest and noblest emotions of which the soul is capable; a brick, even if properly laid, isn't. And soul isn't a thing to be lightly despised. But here the tangible bumps against the intangible. Nobody has seen a soul, while almost everybody has seen a brick.
