

## WAR CALL FINDS WOMEN PREPARED FOR VITAL WORK

Heartstrings Bind Oregon Homes  
Close to French Battlefields—  
Fighters' Hands Upheld

By Mrs. Hazel Pedlar Faulkner  
"Twenty-six Americans cited for  
conspicuous bravery and valor."

Your heart thrilled, too, to that news, which now has been repeated many times. The little shivers of pride ran down your spinal columns, women of Oregon, as you read of the things those boys did over there. And honestly, down in your heart, didn't you say, for the thousandth time, "I wish I could do something worth while!"

Something worth while—of course you can.

You can do something immensely worth while, just now, for those same boys and all their kind.

You can make possible the continuation of their deeds of valor and heroism. You can help them put an end to the need for such sacrifice and hardships as they have been compelled to make.

### MAKE DEEDS OF VALOR POSSIBLE

You are the instruments chosen for a great work, and the time for service is here.

The Government is asking you once more to bring out your hidden treasure—the dollars you have been carefully putting away for some special need. The call for the Fourth Liberty Loan has been sounded. Our country's challenge to our patriotism has been voiced once more.

Oregon women have a record for loyal response to all of the previous Loans. Theirs has been a generous reply to the country's war need.

The daily lists of names of American boys who have given their all for their country have found Oregon's sons among the number. It is for such as those, and for the things for which they fought and fell, that the aid of the folks at home is sought. Ours is a lesser part, but it is an essential part.

### PATRIOTISM CHALLENGES

The report of what women all over the United States did for the Third Liberty Loan is an inspiring page in the history of united war effort. From east to west, from Canada to the Gulf of Mexico the story is the same. Everywhere the women came forward, bringing their dollars for the Loan.

What they will do in this Fourth Liberty Loan will be no less creditable. The time for questioning is past. The day of speculation is gone. Here and now, with one aim and one purpose, you women of Oregon in line with your sisters from all over the land, will march in the army behind the khaki-clad boys over yonder, furnishing the funds not alone for the successful carrying on of the war—that we are pledged to do,—but for the speedy complete defeat of the enemy.

Money means power in this struggle between the right and wrong. Dollars spell success in the conflict for righteousness. Yours is a vital part in the struggle, women of Oregon,—the "thing worth while" is yours to do NOW.
