ter and put in a fire place. John is a good mechanic and says that he has more work than he can handle.

PUBLIC SALE

W. H. Stevely is advertising a public sale to take place at his home known as the old Henry Hayre place two miles north and four miles east of Sublimity, on the road to Silver Creek Falls, on Saturday September 7th. The sale will start at 10 o'clock and there is a nice bunch of stock to go under the hammer. There will be a free lunch served at noon. Attend this sale if you are looking for stock or machinery.

Separate Company "A"
To Visit Aumsville

The members of Separate Co. A., Stayton Oregon Guards, will visit Aumsville next Monday evening and give an exhibition drill on the school grounds there. The Aumsville Record of last week says that preparations are being made for a rousing reception for the boys and that Governor Withycombe and other speakers have been asked to be present and address the Co. It is expected that a large delegation of citizens from here and sublimity will attend.

All members of Co. A. are requested to be at the hall by 7 o'clock Monday evening as there will be plenty of cars to take the boys to Aumsville—and those not having a way to go can be taken care of.

While hauling hay last Friday, young Geo. Etzel accidentally set the load on fire from a cigarette. Geo. noticed that there was some smoke pretty close to the tail end of the load and upon investigating, found that there was a sure-enough fire. About that time the horses also discovered the smoke and lit down the road at a forty mile clip. Geo. grabbed the lines and cramped the wagon short, upsetting the load. By some time the fire was in full

**Good Clothes Save---
Poor Ones Waste**

In buying clothes or anything else this year it's a good thing to know exactly what you're getting; the fact that the average buyer doesn't know good quality from poor stuff that looks good, is often a source of great profit to some merchants.
