FARM AND CITY LOANS.

If you are paying a high rate of interest, why not refund your loan at a lower rate and more liberal terms. It is not good business to pay a higher rate of interest than the market demands, nor is it good business to keep your surplus funds on time deposits at 3 and 4 per cent per annum when 6 per cent can readily be secured on first Farm Mortgages. If you have money to loan or wish to refund or secure a new one, call or write S. H. HELTZEL, Stayton, Oregon.

ONE WEAK SPOT

Many Stayton People have a weak part and too often it's the Back

Many people have a weak spot. Too often it's a bad back. Twinges follow every sudden twist. Dull aching keeps up day and night. Backache is often from weak kidneys. In such cases a kidney medicine is needed.

Doan's Kidney Pills are for weak kidneys. For backache and urinary ills. Good proof of merit in the following statement.

Mrs. R. W. Forgey, Madison St., Silverton, Ore., says: "I was laid up for two or three weeks at a time with my back. My kidneys were out of order and acted irregularly and I got so weak and tired I could hardly drag myself around. Other medicines had very little effect and I was getting worse. I tried Doan's Kidney Pills and the first box gave me great relief. I stuck to them until I had finished four boxes, which cured me of the backache and kidney disorder."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Forgey had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

School Notes

A Student Body Association has been reorganized and the students are going to unite their efforts with those of the President in all that is undertaken for the good of the school for the coming term. Since the President, Wallace Smith, elected at the close of school last spring, has enlisted in the service of the U. S., a new President was installed in that office. Edwin

Keesh is to be congratulated on being unanimously elected.

Hugh Rossell received the office of Vice President, to fill the vacancy caused through Edwin Keesh being elected to the Presidency.

The largest class that ever graduated from Stayton High will be the Senior class of this year. So far there are 20 enrolled with 5 more that are known to be coming in later. This class met and organized Monday night and elected the following officers: Pres. Roy Follis, Vice Pres. Cecilia Mielke, Sec. Treas., Margaret Schaefer; Sarg. at Arms, Eva McClellan; Member of the Executive Committee of the Student Body, Lynn Neal. Considerable other business was transacted at this meeting and the Senior Class promised to do many things worth while for Stayton High.

Thursday of this week was given to the students of the high school and the pupils of the 5th, 6th, 7th and 8th grades, by the Board, as a day to go to the State Fair, at Salem. This was very much appreciated, for a day at the Fair has come to be recognized as one of the eventful days of the school year.

Stars will be added to the Service Flag for the following, who have gone into the service since the closing of school last spring: Wm. H. Smith, Wm. W. Smith, Albert Croisant, Earl VanNuyes, Joe Spaniel, John Susbauer, Guy Hurt, Seimer Brown, Arnold Funk, and Ed Blakely. Anyone knowing of others who have gone, will please hand in the names to Miss Miller.

Letters from two of last year's faculty have been received by the students of the high school. Mr. Davis writes from the Prineville High School as head of the Commercial Department there. Mr. Ford writes from France as a Y. M. C. A. Secretary. Mr. Davis' letter contains very much good advice to the students as to their duty in staying in school at the present time. Also several interesting things concerning his work in his new location. Mr. Ford writes of his new life "over there" and of all the exciting events connected with it. One thing that the students should particularly note is his plea for magazines and reading material for the soldiers. He says that perhaps only one out of ten will reach its destination but that that one is worth the nine that are lost to the soldier who gets to read it.

Miss Crabtree has eleven pupils enrolled in the 8th grade and eighteen in the 7th. Miss Schifferer has twenty in the 5th and 6th grades, Miss Humphreys thirty-three in the 3d and 4th, and Mrs. Creech thirty-three in the Primary Department. Sixteen of them are beginners and Mrs. Creech says she finds them all very interesting little pupils. This week they are learning, as part of their work, Robert Louis Stevenson's poem, "The Swing."

SOLDIER LETTERS

From Leo J. Frank.
Camp Lewis, Sept 14.

Dear Sister: I received your letter some time ago and was glad to hear from you. I am fine and dandy and hope you are the same.

I was transferred again Thursday. I am now in Co. G, 1st Inf. They picked out twelve best men of every company in the 1st Inf. and put them in all in Co. G—this company is now filled up to war strength of 251 men. The 75th and 76th and Headquarters and another company also filled up a full company each. There are five full companies here now. We are getting plenty of drilling now—all new stuff—even to the officers—it's all on the French plan—we have three French officers here. The officers said that we are going out and have a sham battle next Friday night and that they are going to give us six weeks' training.

I am in the Automatic Rifle team. There are eight teams in our company—two rifle teams in each platoon and there are four platoons—

and the rest of the company are divided into plain rifle men, bomb throwers and rifle grenades. Next week we are going to drill only in the forenoon and take automatic rifle lessons in the afternoon. They said they would give us lessons longer than one week but that they have not the time. Sylvester Wourms is in the Automatic rifle team too, and Frank Roeser is in the plain rifle team; I think that is all of the boys from down there that is in the company. I and three more were put in the demonstration squad the day before we were transferred for being the best trained men in the company. I haven't run across Dan Doll or any of the other boys yet. I guess maybe I'll run across them sometime—we don't get much time to run around—we drill till 5:15 and have supper at 6 and by the time you get cleaned up it late to run around. I was up to Tacoma last Saturday and the streets are all up and down hill. How is everything in Stayton?

I wrote Mamma a letter and sent her allowance. I haven't heard if she received it or not. I may be down in a couple of weeks again. We were over to the K. C. hall last night—they had three boxing matches there and they were pretty good, and they had a dance night before last and the hall was chuck a block. Well, I will close for this time with love and best regards to all.

Your brother,
—Pvt. Leo J. Frank.
Co. G 1st Inf., Camp Lewis, Wn.

From Albert M. Frank.
Camp Eustis, Va., Sept. 7.
Dear Mother: Arrived here in good health and feeling fine. Hope you are all the same. Got here Friday evening at 5 o'clock—was on our way little better than a week. We sure had a good time—everybody treated us fine, especially the Red Cross—they sure treated us fine. The farther out here we got the better they treated us. At Memphis, Tenn., we all took a shower bath. Everybody cheered us on our route—there were lots of coons, especially in Georgia and Tennessee. Oklahoma is a nice state—they raise lots of cotton there. The niggers were picking it. The route we traveled was through the southeastern part of the U. S. on the Santa Fe railroad and then we changed at Texas on the Rock Island. There sure were some nice cities along the road. Oklahoma City, Memphis, Tenn., etc. The camp we are at is just a new camp, but a large camp—a good many are coming in every day or two. Six thousand fellows in civilian clothes are working here besides us soldiers. They have us working here also. They say we won't have to work on this kind of work long. I hope not, for I would rather drill. We build sidewalks, dig ditches, haul wood, etc. Talk about rain—Oregon is good enough for me. The weather here is awfully rainy, especially at nights—it rains something awful. The officers treat us fine and dandy—have lots to eat, and work to suit ourselves. The closest town is 16 miles from here. Say, about those pictures, those others were no good I had taken, so will get some taken here as soon as possible and send you some. How did you like those other pictures? How is everybody around Stayton? I wish some one would get my Stayton Mail transferred here. Tell Lena. Well, I must close for this time. I will write more in a few days. Have no electric lights here yet and it is getting dark. We haven't had pay, day this month yet but expect it soon. Will write more next time. With love to all, from

—Albert M. Frank,
Battery C 46th Reg., Camp Eustis.

Capt. Lambert, 2nd Lieutenant John Thoma and First Lieutenant Nelson attended the banquet at the Marion Hotel at Salem Wednesday evening. The banquet was given by Col. W. C. North of the First Regiment.
