Aumsville News

School opened Monday, Sept. 30th with fair attendance.

Mrs. Arthur Rich, formerly Miss Cora Kuney of this place, is now visiting at the home of her mother, Mrs. Dora Kuney.

Mr. and Mrs. A. Sutton received a telegram, stating that their son, Harry A. Sutton, had recently been promoted to rank of captain.

Mr. and Mrs. Francis Eastburn and two children, of Alpine, have been visiting at the home of Mr. and Mrs. F. A. Garbe.

Miss Hattie Myers, who has been operated on for appendicitis a few weeks ago, is still improving.

Miss Millie Pritchard, of Lyons, is attending the Aumsville school. While here she will

stay at the home of Mrs. H. P. Jensen.

Mr. and Mrs. Herman Robertson, of the Waldo Hills, have moved to Silverton. Mr. Robertson will work for the Silver Falls Lumber Company.

Miss Rose Winslow, who is suffering from an attack of pneumonia, was worse at the last report.

L. M. Mitchell and daughter, Ruth, have moved on the Bleakney place for the coming winter. Mr. Mitchell is the principal of the Aumsville school. Their home is in Fruitland.

Following out an order from the war department, every member of the S. A. T. C. at the Oregon Agricultural College will be drilled in boxing. As many as 300 men will box at one time, 200 of them being pitted against imaginary opponents only

and 100 against the real thing. Student instructors have been appointed as company leaders to give the raw men the rudiments of boxing. Wrestling will be done by those physically fitted for that type of athletics, 20 men working at one time.

H. W. Hargiss, new coach, has almost a limitless amount of material from which to choose a team. Practically all of the 75 men out for practice know the game, having had high school or other experience. His great problem, he says, will be the picking of 11 men from so large a group of candidates. He looks for a hard game with Vancouver barracks, however, Saturday, Oct. 12, because all the members of the team are veterans. A game is scheduled with Multnomah at Portland for October 19, and negotiations are being made for additional contests, including one with the University of Oregon.

Cageball, which will take the place of pushball, is expected to be popular at the college this season. The number taking part in the game are limited only in the size of the field. It will be played each day following

regular setting up exercises. Dr. A. D. Brown, professor of physical education for men, is training 22 men to serve as teachers for the setting up exercises, prescribed by the government. Cross country running is being planned, and it is expected that as many as five or six company teams will be organized.
