FARM AND CITY LOANS.
If you are paying a high rate of interest, why not refund your loan at a lower rate and more liberal terms. It is not good business to pay a higher rate of interest than the market demands, nor is it good business to keep your surplus funds on time deposits at 3 and 4 per cent per annum when 6 per cent can readily be secured on first Farm Mortgage. If you have money to loan or wish to refund or secure a new one, call or write S. H. HELTZEL, Stayton, Oregon.

How Long Will it Last?

That's just another way of asking "How good is your battery insulation?"
For no battery is better than its insulation.
Threaded Rubber Insulation is one of the things that makes the Still Better Willard a much better battery.
Threaded Rubber Insulation, which postpones indefinitely the need of re-insulation, is the most important battery improvement that has been made in years.
Read about the mark that stands for Threaded Rubber, in the booklet "A Mark with a Meaning for You."

THE PROPER COURSE
Information of Priceless Value to Every Stayton Citizen

How to act in an emergency is knowledge of inestimable worth and this is particularly true of the diseases and ills of the human body. If you suffer with kidney backache, urinary disorders, or any form of kidney trouble, the advice contained in the following statement should add a valuable asset to your store of knowledge. What could be more convincing proof of the efficiency of Doan's Kidney Pills than the statement of a nearby resident who has used them and publishes tells of the benefit derived?

W. W. Munter, retired farmer, S. Thirteenth & Jefferson Sts., Corvallis, Ore., says: "I have been a good many years since I have decided to take a kidney medicine. From past experience I can recommend Doan's Kidney Pills as being a reliable medicine for kidney trouble. I found them to be all that's claimed for them when I was troubled by my kidneys."

Price 60¢ a bottle. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Munter had. F. Steier-Milburn Co., Mfrs., Buffalo, N. Y.

School Notes

Sarah and Anna Kuken and Albert Lulay registered in high school Monday morning and have begun work again.

Miss Margaret Miller spent the week end with home folks in Portland.

Verna Shank and Myrtle Brown have moved into the "Bachelor Girls" quarters. They expect to keep house there for the coming school year.

The members of the high school orchestra had their first meeting Monday night. They are organized under the leadership of Mrs. Lau. Owing to the fact that so many of the old members are not back this year, the number has been somewhat depleted, but a good orchestra is promised by the enthusiastic workers that are left.

Maryann Alexander has been absent from the senior class for some time. She is in Portland where her sister, Mrs. George Korinek, is seriously ill with pneumonia.

The high school chorus has also organized as a class and has had two meetings since school began, with Mrs. Lau as director. The number in this class has also been decreased but the members as well as Mrs. Lau, are trying to get everybody interested they hope to have a much larger class before many more meetings.

Much illness still prevails. Mrs. Percy was not able to be in school Thursday afternoon and all day Friday. Hugh Rossell has been on the sick list for some time and at the present writing he is still absent from school.

Gerald Finley and Arthur Kelly were not in school part of last week on account of "hard work."

Mrs. Lau is justly proud of the work the 5th and 6th grades have been doing in water colors. Their work at present has been in black and white, and many of the drawings show excellent talent.

Alta Myers has begun her work at school again.

Mrs. Creech was absent Monday afternoon owing to the illness of her son John.

Leonard Darby is the only pupil in Miss Schifferer's room that has not missed a word in written spelling since school started.

Harold Berg has left Mrs. Humphrey's room and will attend school at Seaside, Oregon.

Mrs. Creech's pupils went into Mrs. Humphrey's room Friday afternoon and recited the poem they have been learning.

The first grade is making colored phonic books as they learn the new sounds.

The second grade has begun the learning of the forty-five combinations of numbers.

NOTHING SHORT OF SACRILEGE

The Democratic candidate for Governor of this state has flouted in the face of the public an advertisement and bid for votes that should and no doubt will be indignantly resented by patriotic citizens everywhere. It reads thus:

"Not till every grain of wheat had been harvested for the soldiers did Walter M. Pierce start to ask you for your votes as Democratic candidate for Governor," etc.

To anybody who knows the thrifty, lucre-gathering Walter Pierce, the hollow mockery of that expression appears with the most disgusting effect. They know that every grain of wheat in Walter's broad acres was harvested to bring that \$2.20 a bushel to Walter's bank account, and they cannot resist an angry feeling upon seeing this attempt to use the name of the noble boys at the front for the ignoble purpose of securing himself some votes.

Using their names in this way is nothing short of sacrilege.—Salem Statesman.

"Asbestos Protected Tires"

WAR EMERGENCY COURSE AND CERTIFICATE OREGON NORMAL SCHOOL

Owing to the scarcity of Teachers the Oregon Normal School will offer a War Emergency Course of twenty weeks outlined by the Superintendent of Public Instruction. The course will begin with each of the terms commencing Nov. 16, 1918; Feb. 8, 1919; and April 12, 1919. The Superintendent of Public Instruction will consider it equivalent to the Teachers' Training Course and issue a certificate upon its completion valid to teach in the elementary grades for one year.

This Course will be open to those who have had two years or more of high school work or its equivalent and who are at least eighteen years of age.

For detailed information address
