ONE WEAK SPOT

Many Stayton People have a weak part and too often it's the Back

Many people have a weak spot. Too often it's a bad back. Twinges follow every sudden twist. Dull aching keeps up day and night. Backache is often from weak kidneys. In such cases a kidney medicine is needed.

Doan's Kidney Pills are for weak kidneys. For backache and urinary ills. Good proof of merit in the following statement.

Mrs. R. W. Forgey, Madison St., Silverton, Ore., says: "I was laid up for two or three weeks at a time with my back. My kidneys were out of order and acted irregularly and I got so weak and tired I could hardly drag myself around. Other medicines had very little effect and I was getting worse. I tried Doan's Kidney Pills and the first box gave me great relief. I stuck to them until I had finished four boxes, which cured me of the backache and kidney disorder."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Forgey had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

hear from you. Well, I suppose you have heard of the good news about the war, and I guess without a doubt we will be home before long. But it will be a few months. Have very much work to do all the time. Haven't much time for myself.

You say the weather is good there. I cannot say that about this place. I am well and don't mind the weather. I have not had a cold yet and am very thankful. I will have to close for this time, with lots of love from
