There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the Blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Medicine fails to cure. Send for circulars and testimonials.

"There may be some plugs that look bigger—but it's the good taste of genuine Real Gravelly and the way it stays with you that counts."

Good taste, smaller chew, longer life is what makes Genuine Gravelly cost less to chew than ordinary plug.

PRINCE ALBERT

LAY your smoketaste flush up against a listening post—and you'll get the Prince Albert call, *all right!* You'll hunt a jimmy pipe so quick and get so much tobacco joy out of every puff you'll wish you had been born twins! For, Prince Albert puts over a turn new to every man fond of a pipe or a home made cigarette. It wins your glad hand completely. *That's because it has the quality!*

And, right behind this quality flavor and quality fragrance is Prince Albert's freedom from bite and parch which is cut out by our exclusive patented process. We tell you to smoke your fill at any clip—jimmy pipe or makin's cigarette—without a comeback!

Tippy red bags, tidy red tins, handsome pound and half pound tin humidors—and—that clever, practical pound crystal glass humidor with sponge moistener top that keeps the tobacco in such perfect condition.
