

SCHOOL NOTES

Cacalia Mielke—Editor

Do you know that Salem is planning a great celebration to be held in the near future in honor of the numbers who are returning or have already returned from training schools, cantonments, aviation and naval training stations, and from actual service at home, on seas and over there?

The Mayor of Salem has asked the school of Stayton to help make this affair a success by obtaining the name of every returned soldier, sailor, aviator, or anyone in any branch of Military Service.

It is desired that wherever possible these men register with Mrs. Frank M. Brown at the War Department Office, in Salem.

If this is not convenient will you kindly fill in the blank lines at the end of this notice and either hand it in to the local school or mail direct to Mrs. Brown.

Mr. Grover, assisted by Miss Nora Crabtree have been registering the young men from this vicinity. They believe they have almost everyone registered, but those who have not yet handed in their names should do so as soon as possible.

Miss Margaret Miller spent the recent week end at her home in Portland.

Albany High was victorious over Stayton High in the basket ball game played here last Friday night. However, the local team led Albany quite a merry chase, for they compelled them to work extremely hard for their victory.

Senior Class Entertained

The Senior class was entertained last Thursday evening at the town home of the Misses Margaret Schaefer and Wilma Ware. The girls had tastily decorated the rooms with the class colors in honor of the occasion.

The evening was spent in playing games, and the usual good time for which this class has always been noted, was enjoyed by all. Besides the members of the class, Miss Margaret Miller and Mrs. Lloyd Taggart were also present.

Dainty refreshments which were served consisted of peach jello with whipped cream and nuts, nabisco wafers and lemonade.

The Senior class wishes through this medium to express their sincerest appreciation to the girls for the pleasant evening given them.

Don't forget the basket ball game Friday night, March 14, Stayton High vs. Woodburn High. Admission 15 and 25 cents. Game called at 8:00.

Don Goode gave a very interesting talk and demonstration in each of the grade rooms last Monday, on the use of the gas mask. Don's uncle has recently returned from France, bringing home the mask which Don had at school. The talk and demonstration was very much enjoyed and Don is to be congratulated for the talent he displayed as a speaker.

There is to be a historic dialogue given in Miss Crabtree's room next Friday afternoon. The parents are cordially invited to attend.

Jack Quinn of Fox Valley has entered Mrs. Humphrey's room. He has moved to Stayton with his parents.

Mrs. Humphrey has arranged a change of program in classes. By the new plan she will have

two arithmetic periods for each class during the day. This is to make up lost work during the time school was closed. She has found, like a good many of the teachers, that almost all subjects are easier made up than arithmetic.

The pupils of the 5th and 6th grades have been gathering pictures of noted men and scenes which they have been placing in a group on the wall. These are being used in their current event study.

The 8th grade is also keeping a very close account of the current events. They have been watching the daily papers for the latest news as well as their regular current event paper which each of the pupils take.

The second grade is now ready for supplementary readers. Mrs. Creech has been holding a sort of contest, and the pupils are being allowed to select the book which they wish to read. So far the "Story Hour Reader" is most popular with the little ones.
