Post Exchanges Overseas Are Taken Over by the Military Authorities

Asserting that the valuable aid rendered by the war service of the Y. M. C. A. had been a large factor in the final great accomplishments of the American army, General Pershing, in a communication to E. C. Carter, in charge of association operations with the American Expeditionary Forces, pays a splendid tribute to the work which this agency accomplished under extreme difficulties and handicaps. "The Y. M. C. A. served the army better than could have been expected," says General Pershing.

At its own request the American Y. M. C. A. has been relieved from maintaining post exchanges with the Expeditionary forces overseas, the need for such service having been relieved with the signing of the armistice. Correspondence exchanged between General Pershing and E. C. Carter, in charge of the Y. M. C. A. with the army, resulted in this decision. Carter wrote to General Pershing January 29th as follows:

Dear General Pershing:

A year and a half ago you requested the Y. M. C. A. to undertake operations for post exchanges for the American Expeditionary Forces in order that "officers and enlisted men may not be taken away for that purpose from their paramount military functions of training and fighting."

As soon as hostilities ceased we raised with you the question whether time had not come for the Y. M. C. A. to be relieved of the operation of post exchanges in view of the fact that there was no longer the same pressing demand on man power of the army for training and fighting. When we first raised the question with you it did not appear to you that it was feasible in the best interests of maximum service to the army that a change be made. Now the situation is materially altered.

Recent general orders from main headquarters and requests from commanding officers have laid on the Y. M. C. A. increased responsi-

Biliousness

WHEN you have a bilious attack your liver fails to perform its functions. You become constipated. The food you eat ferments in your stomach instead of digesting. This inflames the stomach and causes nausea, vomiting and a terrible headache. Take Chamberlain's Tablets. They will tone up your liver, clean out your stomach and you will soon be as well as ever. There is nothing better.

Bitter or Better Baking

A letter makes a great difference in a word. A word makes a great difference in baking powders.

If the little word "alum" appears on the label it may mean *bitter* baking.

If the word **ROYAL** stands out bold and strong, it surely means **BETTER** baking.

This is only one reason why it pays to use
