How to act in an emergency is knowledge of inestimable worth, and this is particularly true of the diseases and ills of the human body. If you suffer with kidney backache, urinary disorders, or any form of kidney trouble, the advice contained in the following statement should add a valuable asset to your store of knowledge. What could be more convincing proof of the efficiency of Doan's Kidney Pills than the statement of a nearby resident who has used them and publicly tells of the benefit derived?

W. W. Manter, retired farmer, S. Thirteenth & Jefferson Sts., Corvallis, Ore., says: "It has been a good many years since I have needed to take a kidney medicine.
